- The ERB has found that we demonstrated sufficient interest (majority of cards signed) for the unit clarification to bring temp and on call workers into the bargaining unit without an election. The County has until June 26th to respond.
- May 26th the bargaining team met to discuss ground rules face to face with the county. Next meeting was on the June 14th and the bargaining team was very well prepared. The county did not present any proposals at this meeting. Both sides will meet again on June 28th.

**Staff Reports:**

**Micaela-** There has been decisions regarding the safety of library workers.

**Seth-** Multnomah County Delegates, along with delegates from other labor unions, recommended the addition of Willamette Dental as a dental plan option in 2018. There is concerns of the possibility of this impacting rates of other plans.
