AGREEMENT

between

Multnomah County, Oregon

and

Multnomah County Employees Union

Local 88, AFSCME AFL-CIO

AFSCME LOCAL 88 WELCOMES YOU TO OUR WORKPLACE

AFSCME Local 88 welcomes you to Multnomah County. This agreement has been negotiated between our union the American Federation of State County and Municipal Employees (AFSCME) Local 88 and Multnomah County Management and covers you while employed with the County. It is the result of diligent and hard work conducted during contract negotiations or bargaining with committees from both Multnomah County management and Local 88 members. This agreement has been ratified by a vote of the membership and approved by the Board of County Commissioners.

AFSCME Local 88, received its charter in 1937 and today represents six sub-locals of members in the metropolitan area, the largest being general employees of Multnomah County, (which are covered by this contract). The other sub-locals include physicians, dentists and juvenile custody support specialists in Multnomah County as well as workers at Central City Concern and Transitions Projects Inc. Our Local is about 3,600 members strong and is a proud affiliate of Oregon AFSCME Council 75, AFSCME International Union, and the AFL-CIO.

AFSCME Local 88 operations are based upon the principles of trade union democracy, where participation is the cornerstone of success. Membership begins immediately after submitting a completed membership card — you can access an electronic version of the card with your smart phone by scanning the QR code below. Local 88 leaders: Local 88 Executive Board Members, Chief Stewards, and Stewards are available to answer questions, support Local 88 members and maintain quality working conditions. Stewards are appointed and help advocate and represent other members in their work unit or department. Chief Stewards coordinate the efforts of stewards in one or more department(s). After being a member in good standing for one year, you may decide to become a Steward or run for the Local Union Executive Board. The Executive Board is composed of elected representatives and officers from each of the units and various sectors of the County and sub-locals. They meet monthly to conduct the business of the Local. Staff Representatives who work for Council 75 are assigned to work with our Local, which includes assisting Stewards with grievances, day-to-day issues, and supporting the mission and objectives of our union including internal organizing, leadership development, and collective bargaining. Join us at our monthly General Membership meeting where we debate, review and make decisions, and hear about current issues and events. We look forward to you becoming a member and to your participation in our Local. Together we are transforming the workplace.

A G R E E M E N T**Between****MULTNOMAH COUNTY, OREGON****and****MULTNOMAH COUNTY EMPLOYEES UNION****LOCAL 88, AFSCME, AFL CIO****ARTICLE 1****PREAMBLE**

This Agreement is entered into by Multnomah County, Oregon, hereinafter referred to as the County, and Local 88, of the American Federation of State, County and Municipal Employees, AFL CIO, hereinafter referred to as the Union.

The purpose of this Agreement is to set forth those matters pertaining to rates of pay, hours of work, fringe benefits, and other matters pertaining to employment consistent with the County's and Union's mutual objective of providing ever improved efficient, effective, and courteous services to the public of Multnomah County.

Except as otherwise required by law, regulation, or grant provisions, the parties agree as follows:

ARTICLE 2
DEFINITIONS

I. Countywide Seniority

Includes the continuous, cumulative time spent in all the represented positions an employee has held and is used to determine layoff, bumping, and recall rights. Seniority is calculated using the rules found in Article 21.II.b.

II. Days

For the purposes of this Agreement, "days" means "calendar days" unless otherwise specified.

III. Department

A "Department" is any organization so deemed by the Board of County Commissioners. The Office of the Sheriff and the Office of the District Attorney shall also be deemed Departments for purposes of this Agreement. Non-departmental employees currently assigned to the Office of the Chair shall be deemed in a department for purposes of this Agreement until and if they are reorganized into a departmental structure. The Labor Relations Manager shall be deemed "Department Director" for any functional purpose of this Agreement for such employees.

B. The County shall notify the Union no later than thirty (30) days prior to the effective date of creation of a new Department of the title of the new Department and, if available, the name of the new Department Director or Acting Director.

IV. Full-Time Employee

An employee regularly scheduled to work thirty-two (32) or more hours per week if on an eight (8) hour per day schedule; or an employee regularly scheduled to work thirty (30) or more hours per week if on a ten (10) hour per day schedule.

V. FTE, or Full-Time Equivalency

The number of hours an employee is normally scheduled to work per week divided by forty (40). For example, the FTE for a forty (40) hour employee is 1.0; for a twenty (20) hour employee, .5.

VI. Job Sharing

Job sharing position means a full-time position that is held by two (2) employees on a shared basis, thus each employee works .5 FTE.

1 **VII. Limited Duration Employee**

2 **A.** Limited Duration appointments may be made for assignments of uncertain or
3 limited duration. Such appointments shall be for a stated period not exceeding two (2) years
4 but may expire earlier. (For additional information refer to Addendum K)

5
6 **VIII. On-Call Employee**

7 An employee whose appointment is intermittent, irregular or is normally less than half-
8 time is an on-call appointment. On-call appointments have no time limit. On-call employees
9 may be terminated at any time and have no appeal rights within the County except as required
10 under Addendum L.

11 **IX. Part-Time Employee**

12 An employee regularly scheduled to work forty (40) hours or more during two work
13 weeks, but less than full-time.

14 **X. Initial Trial Service Employee**

15 **A.** An employee serving a one (1) year period of Initial Trial Service to determine the
16 employee's suitability for continued employment, such period to begin on the date of the
17 employee's appointment to a regular position from a certified list of eligibles. During the period
18 of Initial Trial Service, the employee may be dismissed without recourse to the grievance
19 procedure if, in the opinion of the employee's supervisor, the employee's continued service
20 would not be in the best interest of the County. The length of an employee's Initial Trial Service
21 period may not be extended by a Memorandum of Agreement under the terms of Article 26,
22 unless the employee was absent from work for a period of forty-five (45) days or more previous
23 to the extension.

24 **B.** A Trial Service employee who is terminated for performance deficiency related to
25 knowledge, skills, or abilities in the final six (6) months of their Initial Trial Service period, and
26 who has not received at least one Performance Review in their first six (6) months of regular
27 status employment and at least one additional Performance Review sixty (60) days or more
28 after the first Review, shall be granted severance pay in the amount of two (2) weeks of base
29 pay at their FTE and schedule.

30 **C.** If the County intends to dismiss an employee in initial trial service, it will notify the
31 Department Lead Steward and Business Representative, if possible, prior to the employee's
32 dismissal. If the County is unable to notify the Union in advance, it will send notice as soon as

1 possible.

2 **XI. Promotional Trial Service Employee**

3 **A.** A regular employee serving a six (6) month period of Promotional Trial Service
4 upon promotion to determine the employee's suitability for continued employment in the job
5 profile to which they were promoted, such period to begin on the date of the employee's
6 appointment to a higher job profile from a certified list of eligibles. During the period of
7 Promotional Trial Service, the employee shall be returned to the job profile and department
8 from which they were promoted, without recourse to the grievance procedure, if, in the opinion
9 of the employee's supervisor, the employee's continued service in the job profile to which they
10 were promoted would not be in the best interest of the County. Subject to management

E. Union Business

There are three forms of time coding for Union Business.

1. Union Business Time (County Paid Time):

Union Business Time that is considered County Paid Time includes functions that are considered County/Union joint functions such as negotiations; committees that are joint County/Union committees such as labor/management committees, Benefits Committee, Compensation Committee; provide information regarding a collective bargaining agreement to newly hired employees at employee orientations or at any other meetings that may be arranged for new employees; testify in a legal proceeding in which they have been

subpoenaed as a witness; duties as a Steward as defined in this agreement and such other Union Business Time (County Paid) that are mutually agreed between the parties. County employees participating in such activities will be allowed to do so without loss of pay compensation, seniority, leave accrual or any other benefits.

2. Union Business Time (Union Reimbursable Time):

a. Any bargaining unit member selected by the Union to participate in a Union activity as defined below shall be considered in Union Business (Union Reimbursable Time) status and shall be granted such paid time not to exceed twenty (20) working days per fiscal year, per member. An additional sixteen (16) working days of paid Union Reimbursable Time leave shall be granted upon request to any elected Union delegate selected to attend official AFL-CIO or other certified AFSCME activities. Additional paid time may be granted by mutual agreement of the parties. County employees on approved Union Business Time (Union Reimbursable) will be allowed to do so without loss of compensation, seniority, leave accrual or any other benefits.

b. Union Business (Union Reimbursable Time) addressed in this section would pertain to such activities as contract administration – such as time to cover for staff replacement, time to attend training conferences such as arbitration/grievance training; and time off to prepare for negotiations; Officers/Delegates Duties – such as attending AFSCME International Convention, Oregon AFSCME Council 75 convention, AFL-CIO Convention; Conferences/Other – Women's Convention, appointment to AFSCME or other Union Board seat or committee; and other mutually agreed activities that would qualify for Union Business (Union Reimbursable Time).

c. Written notice of such time away from work shall be given to the affected employee's immediate supervisor and to the County Labor Relations Manager five (5) working days in advance. The Union will make every effort to avoid disruptions of work. The Union shall reimburse the County for one hundred percent (100%) of the affected employees salary and fringe benefits (including pro-rata cost of workers' compensation premiums, but excluding indirect administration or overhead charges) for straight time spent on Union activities conducted during regularly scheduled working hours. The County shall submit a monthly statement to the Union itemizing the amount of the Union's reimbursement obligation, and may directly withdraw the amount required from a fund maintained with the County. Funds for this purpose shall be maintained in a separate interest-bearing account with an initial

balance of twenty-two thousand dollars (\$22,000) to be replenished within ten (10) days upon notice from the County Labor Relations Manager whenever the amount falls below two thousand five hundred dollars (\$2,500). If the County incurs liability arising from the activities of a member engaged in Union Business during such reimbursed time, the Union further agrees to reimburse the County for losses caused by such activities, to the extent that such losses are attributable to the acts of the employee receiving continued compensation pursuant to this section. In the event of a dispute over the causation or amount of loss attributable to the actions of Union agents, the parties agree to arbitrate such dispute under Article 18.III step 4, unless such arbitration is inconsistent with the provisions of any applicable third-party insurance indemnification agreement, or unless binding arbitration might jeopardize the availability of coverage by a third-party insurer. County employees participating in such activities will be allowed to do so without loss of pay.

3. Union Business (Unpaid) Leave:

Employees selected by the Union for such activities that are considered political activities including political training, conferences, committees, or appointments, and time off to work on an election race are considered Union Business (Unpaid) Leave. Employees requesting such time off under this section would be governed by the notice requirements and time limits, unless mutually agreed otherwise, of Union Reimbursable Time.

F. Union Business Leave– Employment Status

1. During Union Reimbursable Time, the employee shall not be eligible for County Workers' Compensation benefits arising out of an injury or illness occurring during the leave from the County.

G. Visits by Union Representatives

The County agrees that accredited representatives of the American Federation of State, County and Municipal Employees, AFL CIO, whether local Union representatives, Staff Representatives, or International representatives, upon reasonable and proper introduction, shall have reasonable access to the premises of the County at any time during working hours to conduct Union business. The Union agrees that such visits will cause no disruptions or interruptions of work.

IV. Technology, the Union and the Work Place

The use of information technology in the work place will be consistent with federal and state laws, County policies and rules for public records, ethics and conduct of employees, and

- 1 Multnomah County Personnel Rules, including but not limited to, rules 3-35 Use of Information
- 2 Technology, 3-36 Social Media, and 3-37 Cellular Devices.

ARTICLE 6**NO STRIKE OR LOCKOUT****I. No Strike**

No employee covered by this Agreement shall engage in any work stoppage, slowdown, picketing, or strike at any County facility or at any location where County services are performed during the life and duration of this Agreement. If any such work stoppage, slowdown, picketing, or strike shall take place, the Union will immediately notify such employees so engaging in such activities to cease and desist, and it shall publicly declare that such work stoppage, slowdown, picketing, or strike is in violation of this Agreement and is unauthorized.

II. Crossing of Picket Lines

Employees in the bargaining unit, while acting in the course of their employment, shall not refuse to cross any picket line established by any labor organization when called upon to cross such picket line in the line of duty. It is understood, however, that no employee shall be disciplined or discharged for refusal to cross a picket line:

A. when directed to perform work which does not properly fall within the scope and jurisdiction of this bargaining unit; or

B. when the employee has attempted to cross the picket line, contacted the supervisor requesting assistance in passage through the picket line, and such assistance was not provided.

III. Employee Disciplinary Action

Any employee engaging in any activity in violation of this Article shall be subject to disciplinary action, including discharge, by the County without application of the grievance procedure of this Agreement, unless "Section II.A." or "Section II.B." above is applicable.

IV. No Lockout

There will be no lockout of employees in the unit by the County as a consequence of any dispute arising during the life and duration of this Agreement.

V. Informational Picketing

If part-time employees are unable to modify their work schedule for the week of a holiday due to operational needs, including hours of operation, or elect not to change from the normal work schedule, they may use vacation time or other earned leave to supplement the pro-rated holiday pay in order to receive a normal check or receive a short pay check based on pro-rated pay for the holiday.

3. Full-Time Employees on an irregular work schedule:

Full-time employees, who are regularly scheduled to work less than forty (40) hours per week, or days of varying length, shall be treated as regular part-time employees for purposes of this subsection. C. Saved Holidays

Saved Holidays may be accrued in lieu of observed holidays per the specific provisions of this Article.

2 it was accrued will be forfeited, with the exception an employee may carry over one (1) Saved
3 Holiday per year.

16 following day will be observed as that employee's holiday.

17 **B. Full-Time Employees Working Fewer Than Five (5) Work Days per Week**

21 the following work day will be observed as that employee's holiday.

22 **C. Part-Time Employees**

23 The dates designated in "Section I.A" above shall be deemed the observed
24 holiday if the date falls on an employee's regular day of work. Otherwise, the employee shall
25 be credited with Saved Holiday time for the holiday leave to which the employee would have
26 been entitled.

27 **D. Leave**

28 If the employee works other than day shift, "Religious or Floating Holiday Leave"
29 holiday time shall be taken preceding or following the scheduled time off for the holiday at
30 employee's discretion with supervisor's consent; provided that if the supervisor determines that

1 **III. Holiday Pay**

2 **A.** An employee required to work on an observed holiday will be compensated at
3 one and one half (1 ½) times the employee's regular rate of pay for the hours worked during
4 the observed holiday and for which the employee is not otherwise eligible for overtime or double
5 time premium pay as specified by Article 14.IV. Any additional hours will be paid at the regular
6 rate of pay. The employee will also be granted the number of hours of leave to which they were
7 eligible. The employee may elect to accumulate such leave as Saved Holiday time subject to
8 the provisions of "Section I" above, or be paid at the employee's regular rate of pay. The
9 election must be submitted by the employee in writing to the employee's immediate supervisor
10 on the forms so provided.

11 **B.** Subject to supervisory approval, an employee whose regular day off falls on the
12 officially observed holiday and whose observed holiday, pursuant to Section II.A-C above, falls
13 on a regular work day, may voluntarily change the day of their observed holiday within the pay
14 period in which the holiday falls, or may elect to be credited with saved holiday time in lieu of
15 Section III.A above. All requests must be in writing and submitted to the employee's supervisor
16 prior to the date on which the employee wishes to observe the holiday. Employees who
17 voluntarily change the date of their observed holiday or take saved holiday time will be paid as
18 if the holiday were taken on the observed day as provided for in Section II above and shall not
19 be entitled to the additional compensation provided for in "Section III.A." above.

20 **C.** To be eligible for holiday pay as provided in "Section III.A" above, regular
21 employees must be in pay status both on the employee's scheduled work day before and on
22 the employee's scheduled work day after the observed holiday worked.

23 **IV. Holiday During Leave**

24 If an employee is on an authorized leave with pay when an observed holiday occurs,
25 such holiday shall not be charged against such leave.

ARTICLE 9

SICK LEAVE, FITNESS FOR DUTY, AND DISABILITY INSURANCE

I. Paid Sick Leave

A. Definition and Allowable Use

Sick leave is a leave of absence with County pay which may only be used when the employee is directly affected by any of the health conditions listed below, or when specified others are affected by the conditions listed, and require the employee's care. As used in this Article, "protected sick time" refers to sick leave protected under the Oregon state Sick Time Law, ORS 653.601(6), et seq. (or under WA Paid Sick Leave for Washington-based employees). Accrued sick leave taken in excess of what is required by the employee's respective state sick leave laws may be considered protected leave under other state and federal laws.

1. Specified others

- a.** Members of the employee's immediate household; or
- b.** The employee's spouse, parents, or children as defined in the Federal Family and Medical Leave Act (hereafter referred to as the "FMLA"); or
- c.** The employee's grandparents, grandchildren or parents-in-law as defined in the Oregon Family Leave Act (hereafter referred to as "OFLA"); or
- d.** The employee's domestic partner as designated in an Affidavit of Domestic Partnership submitted to Employee Benefits; or
- e.** The children and parents of such domestic partner, defined as if the domestic partner was the employee's spouse.
- f.** Any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.
- g.** For Washington-localized employees, any other family members under WA PFML, which are not already included above.
- h.** For employees covered by Paid Leave Oregon, any other family members covered under Paid Leave Oregon which are not already included above.

2. Covered health conditions

1 **a.** Mental or physical illness, injury, or health condition; need for
2 medical diagnosis, care or treatment of a mental or physical illness injury or health condition;
3 or time off needed for preventative care; or

4 **b.** Any qualified condition covered by FMLA, OFLA, WA Paid Sick
5 Leave, WA PFML, or Paid Leave Oregon, regardless of whether the employee meets statutory
6 eligibility requirements or

7 **c.** Medical, dental, and employee assistance program appointments;
8 or

9 **d.** For Oregon-localized employees, any qualified purpose allowed
10 under Oregon's domestic violence, harassment, sexual assault or stalking law; or

11 **e.** For Washington-localized employees, any qualified purpose allowed
12 under Washington's domestic violence, harassment, sexual assault or stalking laws; or

13 **f.** Any other illness, injury, or quarantine based on exposure to
14 contagious disease; or

15 **g..** In the event of a public health emergency as defined by Oregon
16 Sick Time Law or Washington's Paid Sick Leave law.

17 **3. Parental leave**

18 Sick leave may be used by employees during Parental Leave as defined
19 by FMLA, OFLA, Paid Leave Oregon or WA PFML, except that the amount of leave taken by
20 the other parent of the employee's child will not affect the amount of Parental Leave available
21 to the employee.

22 **4. Occupationally related conditions**

23 Use of sick leave for occupationally related conditions is limited to the
24 provisions of Article 12, Workers' Compensation.

25 **B. Accrual**

26 Employees shall accrue sick leave at the rate of 0.05 hours for each County-paid
27 hour. Sick leave may be accrued on an unlimited basis. For Washington localized employees,
28 the same accrual rate shall apply, except that the first sixty-five (65) hours accrued in the
29 calendar year shall be deposited into their WA Sick Leave bank, and any further accruals shall
30 be deposited in their County Sick Leave bank. Employees with sick leave in their Washington
31 State Paid Sick Leave accrual banks will be allowed to rollover (into their WA Sick Leave bank)

a maximum of forty (40) hours of Washington paid sick leave per calendar year. Any hours in excess of this will be rolled over to the employees' County Sick Leave Bank.

C. Reporting of Sick Leave

An employee who has a position which requires a replacement (including those whose work would need to get reassigned for the day) during illness must notify the supervisor on duty in sufficient time (at least one 90 minutes) and follow the department's call in procedures before the beginning of the employee's shift so that a replacement may be obtained. Other employees must notify their immediate supervisor, if available, or work site no later than fifteen (15) minutes before their scheduled starting time. It is understood that employees may not be able to provide advance notice in emergencies, when caring for a sick child, or sudden illness but will notify management as soon as possible. Failure to so report may result in loss of County pay for the day involved.

D. Use of Sick Leave during Leave

Sick leave may not be used during the term of any unpaid leave of absence. Sick leave may not be used during vacation except when the employee notifies the supervisor of the interruption of the employee's scheduled vacation and presents reasonable evidence of a bona fide illness or injury upon returning to work.

E. Time Charging for Sick Leave

Sick leave shall be charged in accordance with the uniform time charging provisions of Article 13.

II. Use and Misuse of Leave for Sick Leave Purposes

A. Counting Against FMLA, OFLA Entitlements

Sick leave and any other forms of paid or unpaid leave used for FMLA and/or OFLA qualifying conditions, or absence due to a deferred or approved Workers' Compensation claim based on such conditions, will be counted against an employee's annual FMLA and/or OFLA leave entitlements subject to the provisions of the law.

B. Legitimate Use

1. Protected Sick Time

a. Protected sick time under the Oregon Sick Time Law (ORS 653.601 to .661) is limited to the first forty (40) hours of sick time taken by an employee each calendar year.

b. Protected sick time under the Washington Sick Leave Law (RCW 49.46.200; 49.46.210) applies to any sick time used from the employees Washing Sick Leave bank.

2. Verification of use

a. Pursuant to Multnomah County policy, Management must require the completion of a certification form by the employee's health care provider and any other verification required for under the provisions of the FMLA, OFLA, or their successors.

b. The County may require an employee to submit written medical verification from a health care provider to receive sick leave benefit for any non-FMLA or non-OFLA condition under any of the following circumstances:

i. the employee has missed work due to illness for more than three (3) consecutive work days; or

ii. the employee has requested leave that is scheduled to last more than three (3) scheduled work days: or

iii. the employee has exhausted all sick leave;

iv. whenever the County can articulate reasonable cause to believe that a misuse or abuse of sick leave has occurred, including questionable usage, questionable patterns of usage or calling in sick on a previously denied day off, provided the employee has been previously notified by a supervisor or Human Resources representative that, due to such concerns, future verification may be required. After an employee has exceeded the amount of sick leave protected under the Oregon Sick Time Law or WA Sick Leave Law, employees notified of such reasonable cause described in this paragraph may be required to furnish certification as referenced above for each use of sick leave for a period not to exceed six (6) months following the notice;

v. when the employee has exceeded the amount of sick leave protected under the Oregon Sick Time Law or WA Sick Leave Law and has called in sick five (5) or more times for separate events in any six (6) month period, regardless of how the time is charged and the employee has been notified by a supervisor or Human Resources representative that such verification will be required for a period up to six (6) months following the notice.

3. Discipline

Subject to the limitations of law, including but not limited to those of the FMLA, discipline may be imposed under the following conditions:

a. Abuse of sick leave

Misuse of leave, violation of orders, directives, or contractual requirements concerning the use of sick leave and other forms of leave used in lieu of sick leave are cause for disciplinary action.

b. Use of accrued sick leave

i. Use of accrued sick leave, without abuse of such leave, will not be cause for discipline.

ii. When the intermittent use of accrued sick leave or other paid or unpaid leave used in lieu of sick leave interferes significantly with an employee's ability to perform the duties of the employee's job, management may do the following (subject to the requirements of law, including, but not limited to, the FMLA, OFLA, Oregon Sick Time Law Paid Leave Oregon, WA PFML, and WA Paid Sick Leave law):

(a) Require the employee to take continuous leave; or

(b) Change the employee's work assignment for six (6) months or until use of intermittent leave ends, whichever comes sooner; in such cases the provisions of Article 22 will not apply.

c. Excessive absenteeism

The parties recognize that every employee has a duty to be reliably present at work, and that failure to confine sick leave usage to accrued and available sick leave raises the possibility of discipline for excessive absenteeism. Such cases, however, are subject to just cause review and require systematic examination of relevant factors, including but not limited to:

i. Any legal requirements, including, but not limited to those of the FMLA, OFLA, Oregon Sick Time Law, Paid Leave Oregon, WA PFML, and WA Paid Sick Leave law or the ADA;

ii. The tenure and work history of the employee, specifically to include whether there have been previous instances of this pattern of absenteeism;

1 iii. Whether there is a likelihood of improvement within
2 a reasonable period of time based on credible medical evidence;

3 iv. The particular attendance requirements of the
4 employee's job;

5 v. The pattern of use, and whether the absences are
6 clearly for bona fide sick leave purposes.

7 **C. Sequencing of Leaves**

8 The use of vacation leave, saved holiday time, compensatory time, and leave
9 without County pay is subject to approval by management according to the requirements of
10 Articles 8, 7, 14, and 10, respectively. However, unless otherwise required or prohibited by law,
11 forms of leave shall be used and exhausted in the following sequences:

12 1. Leave for illness or injury, that does not qualify for FMLA/Paid Leave
13 Oregon/OFLA/WA PFML will be taken in the following order:

14 a. County sick leave until it is exhausted;

15 b. Vacation leave, saved holiday time, or compensatory time,
16 sequenced at the employee's option, until they are exhausted;

17 c. Leave without County pay.

18 2. Leave that qualifies under FMLA/OFLA will be taken in the following order:
19 Paid leave until it is exhausted; employees will determine what order paid leave is used;

20 3. Leave for other purposes will be taken in the following order:

21 a. Vacation leave, saved holiday time, or compensatory time,
22 sequenced at the employee's option (to the extent allowed by vacation sign-up provisions) until
23 they are exhausted;

24 b. Leave without County pay

25 4. Leave that also qualifies under WA PFML and Paid Leave Oregon can be
26 taken unpaid or sequenced at the employee's option.

27 **D. Limitations on the Use of Leave Without Pay in Lieu of Sick Leave**

28 Use of leave without County pay in lieu of sick leave for non-FMLA, non-OFLA
29 and non-WA PFML qualifying conditions is subject to the approval of management and further
30 subject to the following provisions:

31 1. **Continuous leave**

In the event of a continuous leave of absence without County pay in excess of any legal requirement of the FMLA, OFLA, Paid Leave Oregon or WA PFML, the County may require from the employee's physician, and/or arrange for the employee to see a physician selected by the County to examine the employee and provide a statement of the disability, current condition, and the anticipated length of current absence. If the County requires the employee to see a physician it has selected, it will pay the costs. If deemed necessary by the County, such an examination shall be repeated every thirty (30) days. If management determines that continued leave would not be in the best interest of the County, then any resulting termination would be subject to review under the just cause standard as to the reasonableness of this determination. Following six (6) months of leave without County pay, to include time spent on unpaid FMLA and/or OFLA leave, any extension of the leave shall be deemed permissive on the part of the County and if the employee's leave is not extended, and the employee does not return to work, the employee will be deemed to have resigned.

2. Intermittent leave

Intermittent leave without County pay used in lieu of sick leave is not subject to the six (6) month entitlement provided for above. When such leave significantly affects an employee's job performance and is not subject to the requirements of law (including but not limited to the FMLA), management may evaluate the employee's use of leave according to the criteria of "Section B.2.c" above. Medical information as provided for in "Section D.1" above may be required for the evaluation. After completing the evaluation management may do one of the following:

- a.** Approve a similar pattern of intermittent use of unpaid leave for a specified period followed by another evaluation; or
- b.** Put the employee on a work plan to manage the use of leave without County pay, followed by disciplinary action if the plan is not successfully completed; or
- c.** Proceed with the disciplinary process.

E. Use of Paid Leave in Counting FMLA/OFLA Eligibility

Only actual hours worked will be counted when reviewing the number of hours worked to determine if an employee meets the minimum hours worked eligibility requirements to be covered under FMLA and/or OFLA. Paid time off (such as vacation leave, sick leave, and comp-time taken) does not count toward FMLA and OFLA eligibility requirements.

F. When an employee has been certified for continuous FMLA and/or OFLA leave of three (3) months or less, the employee's position will only be filled on a temporary basis during that period.

G. Observed Holiday and FMLA/OFLA entitlements

The Observed Holiday Leave taken during a FMLA/OFLA leave will not count against an employee's FMLA/OFLA entitlement unless the employee was on a continuous FMLA/OFLA leave the entire week in which the holiday was observed.

H. Washington Paid Family and Medical Leave (WA PFML)

1. Overview

WA PFML is a mandatory statewide insurance program that provides paid family and medical leave to eligible employees who work in Washington state. The program is administered by the State of Washington's Employment Security Department (ESD), not the County.

2. Supplementing WA PFML Benefits

a. Leave Accruals

i. Employees can choose to use accrued paid time off as described below to supplement or "top up" the money they receive as partial wage replacement from the WA ESD while on a WA PFML-eligible leave. The County will require verification from the employee that they have been approved to receive benefits for WA PFML before approving leave as a supplemental benefit. Such verification must include sufficient detail to coordinate the corresponding payments. Supplementation will be based on an employee's regular rate of pay, including any regularly assigned premiums that are part of an employee's regular rate of pay.

ii. Rules Concerning Supplementing Benefits.

(a) Sick Leave, Vacation, Holiday Leave, Paid Military Training Leave, Professional Recognition Leave, Paid Parental Leave or Compensatory Time may be used at the discretion of the employee to supplement benefits.

(b) Time may be sequenced at the employee's option, until accruals are exhausted.

(c) Under no circumstance, will the employee receive more than 100% of their regular rate of pay, which includes regularly assigned premiums (aggregate from the County and the State).

(d) Short-Term Disability benefits will not be authorized for use as supplemental benefits in conjunction with WA PFML.

iii. Timing of Payments

(a) The employee must complete the necessary forms and provide all documentation as required by the Human Resources Department to process the supplemental benefits request. Failure to submit the necessary documentation in a timely manner, may result in delay or denial of supplemental benefit payments.

(b) The parties understand that payments from the State of Washington to County employees are not controlled by Multnomah County, and that there may be waiting periods during which the employee may not receive pay, or receive delayed (retroactive) payment. The County is committed to making every reasonable effort to ensure supplemental pay is issued within 60 days of the employee providing a copy of their approved WA PFML notice. In the event of a delay, the supplemental pay will be issued on a retroactive basis.

III. Fitness for Duty

The parties recognize that employees have the responsibility to report to work fit for duty. To ensure such fitness, management may send employees for medical or psychological examination when the supervisor reasonably believes that the employee is not fit for duty or may be a danger to themselves or others. Any such examinations will be at County expense.

IV. Disability Insurance and Catastrophic Leave

A. Disability Insurance

1. Short term disability:

Any full-time employee covered by this Agreement may participate in the short term disability insurance program developed by the Union and the County (consistent with carrier contract(s)), the monthly premium to be paid individually through payroll deduction.

Benefit Level	60% of base salary to \$1500/week
---------------	-----------------------------------

2. Long term disability:

a. All bargaining unit employees will be covered by a County paid group long term disability insurance policy, the provisions of which will be specific to Local 88 in the County group policy available to Multnomah County employees.

1 **b.** The County will pay for COBRA medical and dental insurance
2 coverage for a period of up to six months beyond the month in which benefits would normally
3 terminate for an employee with an approved long term disability claim. Members must complete
4 and return the COBRA enrollment form as required by law in order to receive premium
5 payments by the County. However, employees who "opt out" of benefits coverage under the
6 provisions of Article 11, "Section I.D" of this Agreement will not be eligible for continued County
7 paid coverage under this subsection.

8 **c.** If proposed by management and approved by the Union, changes
9 in short term and long term disability insurance coverage will be put into effect.

10 **B. Catastrophic Leave Program**

11 The Parties recognize that a Catastrophic Leave Program has been implemented
12 which allows the donation of vacation leave, compensatory time, and holiday time to ill or
13 injured employees who have exhausted all paid leave. This program may be terminated only
14 subject to the terms and conditions of the implementing Ordinance.

15 **V. Reinstatement of Sick Leave Accruals**

16 A. Any employee who separates from County employment for any reason other than
17 layoff or PERS retirement, who is subsequently re-employed as a regular status, limited
18 duration, on-call or temporary employee within one hundred eighty (180) days, is entitled to
19 credit for all sick leave accrued up to the last day of prior employment. Sick leave shall not
20 accrue during the period between separation from employment and re-employment.

21 B. Employees who were laid off from County employment or are serving in a
22 temporary or on-call position following layoff will have their sick leave balance restored when
23 they are recalled from layoff.

24 **VI. Paid Leave Oregon Reopener**

25 The parties acknowledge that the County or the Union may, at a later date separate from
26 successor bargaining, exercise a reopener(s) of Article 9, Sick Leave upon written notice to the
27 other party. This reopener will be for the exclusive purpose of addressing the impacts, effects
28 and/or changes to the Paid Leave Oregon program. This reopener will be subject to the same
29 rules and bargaining process.

ARTICLE 10
OTHER LEAVES

A. Use of Leave

Leaves of absence without pay for a period of up to six (6) months may be granted by an employee's supervisor for any reasonable purpose. The sequencing of the use of all leaves, to include leaves of absence without pay, is specified in Article 9, "Section II.C". A separate standard for granting any leave of absence for sick leave purposes is specified in Article 9, "Section II.D". Information about legally mandated military leave will be made available to employees upon request from the Department Human Resources unit. The amount of additional leave shall be at the discretion of the employee's supervisor on the basis of the employee's travel and personal needs. With sufficient advance notice, bereavement leave days may be taken non-consecutively provided they are taken within thirteen (13) months from the date of first use.

B. For purposes of Bereavement Leave, an employee's immediate family shall be defined as the employee's spouse or domestic partner or the employee's, spouse's or domestic partner's:

E. Employees may request additional bereavement leave in accordance with "Section I" of this article.

11 claim costs based on plan experience as required by state regulations, IBNR expenses, federal
12 and state Insurance Pool assessments, pharmaceutical claim expenses, stop-loss premiums,
13 third-party benefit plan administration costs, and an appropriate trend factor selected to limit
14 County contributions and employee cost shares while providing adequate funding for plan
15 operations.

16 **2.** If a government agency or other taxing authority imposes or increases a
17 tax or other charge upon the County's Medical and/or Dental benefit plans(s) or any activity of
18 the plan(s), the County may increase the appropriate premium(s) to include the new or
19 increased tax or charge.

20 **D. Employee Contribution**

21 Employee's contributions will be made through payroll deductions. Enrollment in
22 a County sponsored medical benefit plan coverage and associated employee contribution is
23 mandatory for employees who do not "Opt Out" of medical benefit plan coverage.

24 **E. Opt-Out of Medical Plan Benefits**

25 **1.** Employees may elect to Opt Out of the County's medical benefit plan
26 coverage by making that election during the benefit enrollment process. Employees making
27 such an election must provide annually, an affidavit or other qualifying proof of other group
28 medical benefit plan coverage covering tax dependents, in order to continue to Opt Out.
29 Employees will not be eligible to change their election until the County's official annual open
30 enrollment period, unless the employee experiences an IRS recognized family status change
31 event that would allow a mid-year health plan election change or qualifies for Special
32 Enrollment under HIPAA.

1 **2. Full-Time Employees Who Opt Out:**

2 Full-time employees who Opt Out of medical benefit plan coverage will
3 receive a reimbursement paid by the County of two-hundred and fifty dollars (\$250) (gross) per
4 month.

5 **3. Three-Quarter Time Employees Who Opt Out:**

6 Three-Quarter Time employees who Opt Out of medical benefit plan coverage will receive a
7 reimbursement paid by the County of one-hundred-eighty-seven dollars and fifty cents
8 (\$187.50) (gross) per month.

9 **4. Half-time Employees who Opt Out:**

10 Half-Time employees who Opt Out of medical benefit plan coverage will
11 receive a reimbursement paid by the County of one-hundred-twenty-five dollars (\$125) (gross)
12 per month.

13 **5.** Employees may also elect to decline dental plan coverage through the
14 County. However, there is no reimbursement associated with declining dental coverage and
15 no proof of other dental coverage is required. Employees will not be eligible to change this
16 election until the County's official annual open enrollment period unless the employee
17 experiences an IRS-recognized family status change event that would allow a mid-year health
18 plan election change or qualifies for Special Enrollment under HIPAA.

19 **F. Successor Plans and Carriers**

20 In the event that any of the current benefit plans become unavailable, the County
21 agrees to provide to affected employees a substitute plan for the same service delivery type, if
22 available, at substantially the same or better benefit levels. If a plan or carrier is discontinued
23 and no substitute plan is available of the same service delivery type, the employee will be
24 offered the option to enroll in an alternative service delivery plan.

25 If the County chooses to change from a plan or carrier which is still available, the County
26 agrees that the overall existing level of benefits for each plan will be duplicated as closely as
27 possible but will not be reduced.

28 **G. Premium Reimbursement for Part-Time Employees**

29 **1. Reimbursement Eligibility:**

30 Three-Quarter Time and Half-Time employees shall be eligible for
31 premium reimbursement if they work the minimum required number of hours for two (2)
32 consecutive pay periods. The two (2) or more pay periods used for calculation are considered

a single qualifying block of time. The two (2) or more consecutive pay period block shall only be applied to one reimbursement request. Changes to a submitted reimbursement request will be considered only if a submitted payroll period is determined to be ineligible.

2. Hours Required for Reimbursement:

a. For purposes of this calculation, Full-Time is defined as the total number of regular hours in a pay period for an employee scheduled to work Monday through Friday, eight (8) hours per day.

b. "Work" for purposes of this section is defined as hours worked, and any paid time such as holiday, vacation or sick time.

c. Hours required for Three-Quarter Time reimbursements shall be one hundred and twenty (120) and for Full-Time reimbursements shall be one hundred and twenty-eight (128) hours cumulative in two (2) pay periods.

3. Reimbursement Options:

a. Full-Time Reimbursement

Three-Quarter Time employees and Half-Time employees may be eligible for Full-Time reimbursements. To qualify, time worked in each pay period must meet the minimum qualifying hours for Full-Time reimbursements for two (2) or more consecutive pay periods. Any such premium reimbursements made to the employee will be adjusted for appropriate taxes.

b. Three-Quarter Time Reimbursement

Half-Time employees may be eligible for Three-Quarter Time reimbursements. To qualify, time worked in each pay period must meet the minimum qualifying hours for Three-Quarter Time reimbursements for two (2) or more consecutive pay periods. Any such premium reimbursements made to the employee will be adjusted for appropriate taxes.

c. Employees who elect the Major Medical Plan will not be eligible for medical plan premium reimbursements.

d. Employees who elect to "Opt-out" and/or decline dental plan enrollment will not be eligible for premium reimbursement.

e. Reimbursement payment requests must be submitted online via premium reimbursement webform located on Commons within three months from the end of the calendar year (e.g., reimbursements will be considered if submitted by March 31 for the prior calendar year premium payments).

4. Part-Time Employee Benefit Committee:

The parties agree that a ‘forward looking’ calculation resulting in pre-tax benefit contribution for employees working more than their scheduled hours may be beneficial for both parties. Therefore it is agreed that the County and the Union will continue to study and discuss the feasibility of this benefit.

H. Retirees

Provisions governing retiree participation in County medical and dental plans are in Article 16, “Section V”.

I. Default Enrollment

a. Medical and Dental Benefits

The employee and eligible dependents will be covered by medical and dental benefits the first (1st) day of the month on or following hire, provided the employee has completed the benefit enrollment process and provided required documents to the

Employee Benefits office on or before that date. Employees who complete the enrollment requirements enroll after the first (1st) day of the month following hire, but within thirty-one (31) days of hire, will be covered the first (1st) day of the month following the date on or following the date enrollment requirements are completed. Employees who do not enroll within thirty-one (31) days of hire will be enrolled based on the default enrollment procedure. Coverage under the default plan(s) will begin on the first (1st) day of the month following thirty-one (31) days of employment.

2. Benefits coverage for terminating employees:

Retirees enrolled in County medical and/or dental plans may continue to participate in County medical and dental benefits plans on a self-pay basis as mandated by law.

b. Other terminating employees

Last Day in Paid Status	Coverage Ends
1st - 15th of month	End of the month
16th - 31st of month	End of the following month

Example: Employee A's last working day in paid status is July 15. Employee A's County sponsored health plan coverage will end July 31. Employee B's last working day in paid status is July 16. Employee B's County sponsored health plan coverage will end August 31. Employee B will have additional cost shares deducted from final paychecks to cover the cost shares for August coverage.

i. The County will contribute toward medical and dental benefit plan coverage during unpaid approved FMLA/OFLA leave as required by law. Unpaid cost shares will be recovered from the employee when the employee returns to paid status.

ii. If the employee remains on unpaid leave for more than thirty (30) days after FMLA/OFLA leave is exhausted, the leave will be treated as an unpaid leave of absence per "Subsection c.i" below, except that the last day of FMLA/OFLA leave will be deemed the employee's last day in pay status.

c. Non-FMLA-non-OFLA Unpaid Leaves

i. Lapsing of County-subsidized coverage

Lapsing of County-subsidized coverage occurs after passage of thirty (30) day leave period. Thirty-first (31st) day of leave with unpaid status triggers loss of health plan coverage. If thirty-first (31st) day of unpaid non-FMLA/non-OFLA leave occurs:

31st Day of Unpaid Non-FMLA/non-OFLA Leave	Coverage Ends
1st - 15th of month	End of the month
16th - 31st of month	End of the following month

Example: Employee A goes on non-FMLA/non-OFLA unpaid leave effective July 15. Leave period exceeds thirty (30) days. Thirty-first (31st) day of unpaid leave is August 14. Employee A's County sponsored health plan coverage will end August 31. Employee B goes on non-FMLA/non-OLFA unpaid leave July 18. Unpaid leave period exceeds thirty (30) days. Thirty-first (31st) day of unpaid leave is August 17th. Employee B's County sponsored health plan coverage will end September 30.

(b) Employees returning from unpaid non-FMLA/OFLA leave in a new plan year will have an open Enrollment opportunity when they return from leave for the same length of time as Open Enrollment. Such employees must notify the County Employee Benefits Office and complete the enrollment upon their return to work. If submitted enrollment is received on the first (1st) day of the month, the change will be effective that day; otherwise, coverage will be in effect the first (1st) day of the month following the employee's completed enrollment.

Should management determine that it needs to reduce hours for one (1) or more positions, management will first, in order of job profile seniority, look for qualified volunteers within the work unit. If there are no volunteers, then such reduction shall be in reverse order of job profile seniority of qualified employees. Exceptions to job profile-seniority preference assignment may be made in the following situations:

1. When an employee with less job profile seniority is substantially more qualified for the reduced position;
2. Where bona fide job-related requirements for a balance of experienced and non-experienced personnel exist between shifts or assignments in a work unit.

B. Right to Compensation for Assigned, Scheduled, and Worked Hours

An employee who reports to work as scheduled and is excused from duty for lack of work, or is specifically directed by the employee's supervisor or manager not to report to work, will be paid at the employee's regular rate for the hours the employee was scheduled to work.

III. Work Days and Days Off

A. Scheduling Requirements

1. Employees working 40 hours per week:

a. Employees working five (5) eight (8)-hour days a week will be scheduled to work five (5) consecutive days with two (2) consecutive days off. Employees

b. No employee normally scheduled to work forty (40) hours per week shall be paid for less than eighty (80) hours in a semimonthly pay period as a result of the application of the provisions of this subsection, except that in the second pay period in February this minimum shall be seventy (70) hours.

8 middle of each half of the work day whenever practicable.

23 work day will include a meal period. An employee who has worked eight (8) or more hours in a
24 work day and who works two (2) hours beyond the employee’s regular quitting time is entitled
25 to a second meal period.

26 **2. Unpaid meal periods:**

27 Meal periods are on unpaid time unless the provisions of “Subsection 3”
28 (continuous schedules) below apply.

29 **a. Length of the meal period**

30 Employees will be scheduled for a thirty (30) minute meal period
31 unless they request and management approves a one (1) hour meal period. Management may

1 rescind approval for a one (1) hour meal period, subject to the provisions for changing work
2 schedules in "Section I" above.

3 **b. Scheduling**

4 i. The meal period for employees working eight (8) or more
5 hours will be scheduled in the middle of the work day whenever practicable.

6 ii. When a one (1) hour meal period is requested and approved,
7 management will make adjustments to the employee's starting and/or quitting time, subject to
8 the provisions for changing work schedules in "Section I" above.

9 **3. Paid meal periods:**

10 **a. Continuous duty schedules**

11 Management may assign employees performing duties which do
12 not lend themselves to duty free breaks and meal periods to a continuous duty schedule. Any
13 such assignment shall be in writing with a copy provided to the Union and the Labor Relations
14 Manager. Meal periods for such employees will be on paid time. The scheduling of meal periods
15 and breaks for affected employees will be based solely on management's judgment of the need
16 for supervision of clients or involvement in other continuous duty, or may be on an "as time is
17 available" basis. Continuous duty employees may not be relieved of duty during their work day,
18 and may have to take their meals and their breaks while supervising clients or attending to
19 other duties. Any meal periods or breaks may be interrupted or missed without additional
20 compensation.

21 **b. Temporary assignment**

22 If an employee who normally works a non-continuous schedule is
23 assigned to provide relief for a continuous duty post and that assignment includes the time of
24 the relief employee's normally scheduled meal period, it will be treated as a paid period
25 following the conditions of "Section IV.C.3.a" above.

26 **D. Clean Up Time**

27 Employees occupying labor, trades or craft positions, or whenever it is essential
28 for other employees to clean up or change clothes before being presentable upon leaving work,
29 shall be granted not more than a fifteen (15) minute personal clean up time prior to the end of
30 each shift. The County shall provide the required facilities for the employee's clean up time.
31 Neither party to this Agreement shall construe "clean up time" to mean "quit early time" or
32 "leave early time."

1 **V. Flexible Work Schedules**

2 **A. Exceptions to the Requirements of This Article**

3 Greater flexibility in work scheduling than is otherwise provided for in this article,
4 which benefits employees and the County, may be implemented, provided that such schedules
5 are in writing, and are agreed upon by the Union and the Labor Relations Manager. A copy of
6 any such agreed upon schedules shall be provided to all directly affected employees.

7 **B. Employee Requests for Substitution of Hours within a Work Week**

8 Employees may request to work fewer hours than scheduled on one (1) day in
9 an FLSA work week and make up for those hours by working an equivalent number of
10 additional hours on another day or days in the same FLSA work week. Such scheduling is
11 subject to the approval of management, and regardless of any other provisions of this
12 Agreement, will not result in overtime pay.

13 **C. Changes in Work Schedules - Review and Approval of Schedule Requests**

14 **1. Assessment of Alternative Schedule Options:**

15 The Union and the County recognize that flexible or alternative schedule
16 arrangements are of interest to both parties. In an effort to expand access to flexible schedule
17 options, while still meeting County business needs.

18 **2. Review and Approval of Schedule Requests:**

19 To be considered for an alternative schedule option, an employee shall
20 submit a written request to their supervisor; the employee's otherwise-assigned schedule shall
21 be the default unless an alternative is requested and approved. An employee's request for an
22 alternative schedule option shall be approved unless the supervisor explains in writing the
23 specific reasons that it would interfere with County business needs; County's business needs
24 include but are not limited to, work requirements, employee performance or misconduct
25 concerns, and employee satisfaction. To be considered a business needs criteria including
26 rescinding an alternative work schedule, the employee must have been given prior notice and
27 opportunity to correct a performance issue. Denial shall not be for arbitrary or capricious
28 reasons. Denials and rescissions of alternative work schedules may be appealed to the
29 Department Director; determination of the County's business needs shall be at the Director's
30 sole discretion.

31 **VI. Job Sharing**

1 **A.** The intent of a job share position is that two (2) employees voluntarily share the
2 duties and responsibilities of one full-time position in a single job profile. Employees may
3 request to share a position. Approval of job sharing is at the discretion of management. Each
4 employee in the job share position must sign a job share agreement outlining the terms of the
5 job share and be scheduled for forty (40) hours during two (2) work weeks.

6
7 **B. Leave and Holiday Pay**

8 Job sharing employees will be treated as part-time employees for purposes of
9 holiday, leaves, pay, and health and welfare.

10 **C. Job Share Vacancy**

11 If one (1) job share employee vacates the position, the County determines
12 whether the position should continue as a job share. The remaining employee has the right to
13 assume the position on a full-time basis. If the position continues as a job share, the vacant
14 half of the position will be filled using the department procedure.

15 **D.** If the position does not continue as a job share, and the remaining employee
16 does not assume the position full-time, then the remaining employee may elect to transfer to a
17 vacant position in the same job profile or to voluntarily demote to a vacant position for which
18 they are qualified. If the above conditions are not available or not acceptable, the employee
19 would be subject to layoff.

20 **VII. Telework Agreements**

21 **A.** The County encourages the use of telework in situations where it will be to the
22 mutual benefit of employees, the County, and the public. The County maintains a Personnel
23 Rule 3-65 regarding telework and with the exceptions described below, that Personnel Rule
24 shall control the terms related to teleworking.

25 **B.** Each telework assignment should be reviewed for costs and benefits, such as
26 the nature of the job, equipment requirements, and expected results. The telework assignment
27 should not create additional costs, risk or hardship to the County. As such, all employees
28 approved for telework shall be prepared to work from home when scheduled to do so.

29 **1.** In the event of a curtailment or closure of operations, employees on
30 previously agreed to hybrid and routine telework schedules, can be directed to telework
31 regardless of whether it was a date they were originally scheduled to be onsite. Such changes
32 will not be considered a change in "work location" and are therefore excluded from any

1 additional compensation and notice provisions. Notwithstanding this provision, the County
 2 understands that employees may have extenuating circumstances such as power or internet
 3 outages at home or an imminent evacuation order that precludes them from being able to
 4 telework from home. In such situations, the County will treat the employee the same as an
 5 employee not on a routine or hybrid telework agreement including direct an employee to work
 6 at an open facility in the event of a partial closure or curtailment or alternatively, with supervisor
 7 approval, employees may use leave accruals instead of working at another location.

8 **C.** The employee's supervisor will provide a written response to an employee's written
 9 request for a telework agreement, including the reason(s) for a denial, within a reasonable
 10 period of time. If an employee's telework agreement is rescinded, the supervisor will provide a
 11 written explanation including the reasons why the agreement is being rescinded.

12 **D.** A telework assignment may be denied or rescinded due to business needs
 13 and/or performance issues. Prior to rescinding a telework assignment due to performance, the
 14 employee must have been given prior notice and opportunity to correct said performance issue.

15 **E.** Denials and recensions of telework agreements may be appealed to the Department
 16 Director. The approval of telework agreements shall be at the Director's sole discretion.

17 **VIII. Uniform Time Charging Provisions**

18 **A. Rounding Rule**

19 Time charged for all leaves and compensation for time worked under the terms
 20 of this Agreement shall be subject to rounding to the nearest quarter of an hour in accordance
 21 with the following rules:

22 0 - 7 minutes rounds to 0 hours

23 8 - 15 minutes rounds to 1/4 hour

24 **B. Applications**

25 **1. Lateness:**

26 Employees who are less than eight (8) minutes late are not required to
 27 make up the missed minutes and shall be paid for a full shift without charge to a leave account.
 28 Employees who are more than eight (8) minutes late may be charged paid leave for time late
 29 or may be allowed to flex time at the manager's discretion. An employee who starts work after
 30 their start time is considered to be late. Being late to work can be grounds for discipline up to
 31 and including dismissal.

32 **2. Working over:**

An employee who works over less than eight (8) minutes shall not be compensated. An employee who works eight (8) to fifteen (15) minutes over shall be compensated one quarter (1/4) of an hour at the appropriate rate of pay in accordance with Article 14, Compensation.

3. Leaves:

Late and early return from leaves shall be subject to the same rounding practice as specified above.

4. Work day:

The above provisions shall not be construed as a right for management to extend the end of the working day beyond the normally scheduled ending time.

IX. County Closures and Curtailments

A. General

1. All employees are expected to make every effort to attend work and serve the public during inclement weather, natural disaster, or other types of community emergencies unless released from reporting by their supervisor or other authorized management representative. The County will provide notice to all current and prospective employees by posting this prominently in job postings.

2. The County Chair, Chair's Chief-Of-Staff, Chief Operations Officer, or other Chair designee may make countywide facility closure or operations curtailment decisions. Those executives, and Department Directors and their designees, may make Department facility closure or operations curtailment decisions.

3. The County reserves the right to maintain and revise policy regarding inclement weather, a natural disaster, or an acute community emergency, as it relates to facility closure and operations curtailment, attendance at work, and reassignment of staff to other temporary work locations. The County further reserves the right to determine whether or not a specific event qualifies under the terms of such policy.

B. Inclement Weather, Natural Disasters, and Community Emergencies

1. Operationally Essential Employees

a. Employees who have been designated as operationally essential ("Essential") are required to report for duty regardless of facility closure or curtailment of some or all County operations. An essential employee who does not report to work or who reports

late shall time-code the absence as leave without pay, or may charge it to compensatory time off, personal or saved holiday, or vacation leave.

b. The County shall annually provide a list of Local 88-represented positions and/or job profiles from each Department that have been designated Essential by October 1 each year; the County reserves the right to revise the list as necessary. The County shall also provide description of the rationale or criteria for determining what positions or duties are essential during inclement weather.

c. Essential employees may be directed to work remotely or in person during a County closure or curtailment, based upon management discretion and operational needs.

2. Employees Not Designated Operationally Essential ("Non-Essential")

a. An employee who is directed by an appropriately authorized management representative to not report for work due to facility or operations delayed opening, early closure, or full curtailment shall be compensated for regularly scheduled hours until such time as the facility or operation reopens or the employee is reassigned to another work location.

b. An employee who is regularly scheduled to telework or otherwise work remotely under a telework agreement is still expected to work their regularly scheduled hours unless released from working by their supervisor.

c. Employees who were already scheduled for paid leave remain in that leave status. An exception will be made by a Department where 1) an employee leaves early due to impending inclement weather, and the County subsequently closes or curtails that employee's facility or program during the balance of their shift, or 2) the school district in which an employee lives closes operations, the employee takes vacation leave, and the County subsequently closes or curtails that employee's facility or program during the balance of their shift. In each of these instances, the employee will be credited administrative leave for the shift time that was closed or curtailed.

d. If an employee's site and operations are open, and the employee is unable to report to work due to the weather conditions, the employee must use unpaid leave, compensatory time off, personal or saved holiday, or vacation, or may request to telework or flex of their schedule from their supervisor.

1 **C. Long Term Closures or Curtailments (>48 Hours):**

2 If inclement weather, natural disaster, or other types of community
3 emergencies results in facility closures or operations curtailment cumulatively of four (4) days
4 of disrupted operations in a seven (7) day period, or lasting two (2) consecutive days or more,
5 or occurs on a date and time that would disrupt a critical County function that must be executed
6 during the time frame of the closure/operations curtailment, the County may notify specific
7 employees and the Union that they will need to report to work. All provisions of Art. 13.IX. above
8 shall remain in effect.

9 **D. Hardship Requests during Natural Disasters and Community**
10 **Emergencies**

11 The County recognizes the scope and intensity of potential natural disasters and
12 community emergencies that could be experienced by County employees. While employees
13 are expected to make reasonable efforts to perform the duties of their job during an emergency,
14 the County will also make reasonable efforts to accommodate impacted employee requests for
15 leave or alternative places to work during such emergencies.

ARTICLE 14
COMPENSATION

I. Wage Adjustments

A. July 1, 2022

Effective July 1, 2022 the rates and ranges of employees covered by this Agreement shall be increased five percent (5%).

Additionally, effective upon ratification of this contract, regular status and limited duration employees covered by this agreement as of ratification, will receive a one-time payment of 2% of base wages, but no less than \$2,500, prorated by FTE (as of date of ratification). This one-time payment is to address current job market conditions and employee retention.

B. July 1, 2023

Effective July 1, 2023 the rates and ranges of employees covered by this Agreement shall be increased by five percent (5%).

Additionally, on July 1, 2023, regular status and limited duration employees covered by this agreement, will receive a one-time payment of 1% of base wages, but no less than \$2,000, prorated by FTE (as of July 1, 2023). This one-time payment is to address current job market conditions and employee retention.

C. July 1, 2024

Effective July 1, 2024, the rates and ranges of employees covered by this Agreement shall be increased by an amount equal to the percentage increase in the West Size Class A Consumer Price Index for Urban Wage Earners and Clerical Workers between January of 2023 and January of 2024 with a minimum of one percent (1%) to a maximum of four percent (4%).

D. Market Adjustments for Selected Job Profiles

The County and the Union agree to review market data and negotiate compensation for selected job profiles every two (2) years. As a one-time only exception, the County will add an additional market adjustment review during the 2022-2025 CBA, this exception is non-precedent setting. The additional market adjustment review may result in possible market adjustments for selected job profiles each year of this CBA term (July 1st, 2023, July 1st, 2024, and July 1, 2025). Market adjustment reviews will be completed, using the process outlined below:

1 **1.** The parties shall each appoint a negotiating team of up to five (5)
2 representatives no later than April 1 of each even-numbered year. No later than July 1, the
3 teams shall agree to a list of job profiles to be reviewed for possible market adjustments. The
4 parties will review a minimum of ten (10) job profiles and a maximum of thirty (30) job profiles,
5 provided that the number of employees covered by the selected job profiles shall not exceed
6 fifteen percent (15%) of the total number of regular employees in the bargaining unit. Any job
7 profiles agreed to which are part of a series shall include all job profiles in the series and each
8 job profile within the series shall count towards the total number of job profiles to be reviewed.

9 **2.** If the parties are unable to reach agreement on the list of selected job
10 profiles by close of business July 1, and the total number of job profiles proposed by the parties
11 exceeds (30) or the number of employees covered by the proposed job profiles exceeds fifteen
12 percent (15%) of the total number of regular employees in the bargaining unit, the parties shall
13 meet on the next regularly scheduled business day following July 1 and alternately strike job
14 profiles until the number has been reduced to the specified limitations. Any strike of a job profile
15 that is part of a series shall constitute a strike of the entire series. The party having the first
16 strike shall be determined by a coin toss.

17 **3.** Between July 1 and October 1 of each even-numbered year, the County
18 will update the official job profile specifications for each job profile selected for study. The
19 County will provide Local 88 with the final, updated job profile specifications no later than
20 October 1. No changes will be made to the job profile specifications for jobs selected for study
21 between October 1 of each even-numbered year and June 30 of the following odd-numbered
22 year.

23 **4.** Between October 1 of each even-numbered year and February 15 of the
24 following odd-numbered year, the Union and Management will conduct separate wage surveys
25 of the job profiles identified. Wage surveys shall be conducted by comparing wage midpoints
26 of the agreed upon job profiles with other jurisdictions' job profiles' wage midpoints. Job profiles
27 will be deemed "comparable" when the focus and purpose of work are similar in nature;
28 minimum qualifications require similar education, training and experience; and the majority of
29 duties are similar to the duties described in the selected job profiles. Wage comparisons will
30 be made with the same or other comparable job profiles of employers/jurisdictions in
31 comparable communities. "Comparable" is generally limited to public sector jurisdictions within
32 the Pacific Northwest region, but may also include other public sector jurisdictions in

comparable communities outside the region. Any comparables from jurisdictions outside the Portland metropolitan area shall be adjusted for differences in cost of labor, using accepted compensation tools or practices. Any cost of living adjustments in comparable jurisdictions that are effective on or after January 1 of each odd-numbered year shall not be factored into the wage rates.

5. No later than March 1 of each odd-numbered year, the parties will meet and negotiate wages for the agreed upon job profiles, using the information obtained from wage surveys. Negotiations will be subject to the provisions of ORS 243.712.

6. Negotiated Wage Changes

a. All negotiated wage changes will go into effect July 1 of each odd-numbered year.

b. Wage Increases

i. In job profiles that are adjusted to a higher pay range as a result of a study, employees who would not otherwise receive an immediate step increase under the provisions outlined in Article 15.V. Pay Adjustments, shall receive the equivalent of a one-half (1/2) step increase, equivalent to a one and one-half percent (1.5%) increase in base wages, effective on the date of the study implementation. The one and one-half percent (1.5%) increase provided for in this section will not be considered part of base wages for purposes of calculating any wage adjustment or wage premiums, including but not limited to lead pay, bilingual pay, or shift differential, except overtime pay as required by law.

ii. Eligible employees shall receive the remaining one-half (1/2) step increase at the time of their individual anniversary date, and the combined increases shall be considered the employee's step increase for that fiscal year. Beginning on the effective date of the step increase, the full step increase shall be treated as base wages for all purposes provided for in this contract, including wage premiums and wage adjustments.

iii. All other wage adjustments shall be implemented in accordance with the provisions of Article 15.V. Pay Adjustments.

c. In the event the employee's rate of pay exceeds the new recommended maximum pay rate as a result of market adjustment, the employee shall be paid in accordance with Article 15.V.3.

E. Reopener Provisions for Market Adjustments

It is the intent of the parties to negotiate market adjustments for selected job profiles every two (2) years, with negotiations to begin no later than March 1 of each odd-numbered year. Any agreed upon wage adjustments shall be effective on July 1 of that odd-numbered year. In any such odd-numbered year in which contract negotiations would not otherwise be open, the parties agree to a limited wage reopener for the purpose of determining market adjustments for selected job profiles using the process outlined above.

F. Funding and Amount of Increase

The County shall cover the full costs of implementation of any wage increases resulting from the negotiations provided for in Article 14.E.

G. Compensation Plan

1. The compensation plan for Local 88 job profiles utilizes eight (8) steps, with a difference of three percent (3%) between each step in a pay grade, and a difference of three percent (3%) between each pay grade. This is commonly referred to as the "3X3" Comp Plan. Cost of Living Adjustments (COLAs) shall be implemented by adjusting each step in each pay grade by the agreed upon COLA percentage or minimum hourly rate increase. If the result of applying the COLA for any step(s) in the pay plan yields a result that does not align with the 3X3 plan, then, subject to the mutual agreement of the parties, an additional adjustment may be made to maintain the uniformity and integrity of the 3X3 plan.

2. Notwithstanding the Compensation Plan structure described above, effective July 1, 2022, no bargaining unit members shall be paid at a rate of less than Twenty Dollars per hour (\$20.00/hr). Bargaining unit members shall be maintained on the range and step corresponding to their respective job profile and scheduled step advancement, and minimum pay rates manually applied to the Compensation Plan schedule on an annual basis.

II. Pay Periods

Employees shall be paid on a twice a month basis. The pay periods shall be the first (1st) through the fifteenth (15th) of each month and the sixteenth (16th) through the end of each month. Employees will be paid on the fifteenth (15th) of each month for hours worked during the second pay period of the preceding month, and on the last business day of each month for hours worked during the first pay period of that month; provided, however, that if either date falls on a Saturday, Sunday, or Holiday, the pay date will be the preceding business day.

III. Work Outside of Regularly Scheduled Hours/Days

A. Reporting to Work after Hours/Scheduled Day Off

From time to time, it may be necessary to have employees work outside their regularly scheduled working hours or on a scheduled day off. In order to be respectful of an employee's schedules and activities outside of work, and to keep County costs down, every effort will be made to (a) give as much advance written notice as possible, (b) limit the employee's uncompensated break between the end of employee's shift and the callback assignment or between the callback assignment and the beginning of the employee's shift by scheduling as close to their regularly scheduled shifts as possible, and (c) allow for a continuous break of ten (10) or more hours between the end of one shift and the beginning of the next shift. None of the provisions in this section shall violate the provisions of "Article 14.IV" as they apply to part-time employees.

1. "Call Back" - Less Than Twenty-four (24) Hours Advance Notice

a. Minimum Compensation

Any employee who returns to work at the direction of management outside their regularly scheduled working hours or on a scheduled day off—and there is less than twenty-four (24) hours advance verbal or written notice—shall be compensated for a minimum of four (4) hours—or time worked, whichever is greater—at the appropriate rate according to the provisions of "Article 14.IV". If applicable, the employee shall have the option of receiving overtime or compensatory time, or they may flex their time at a time approved by their supervisor. This minimum does not apply if (a) an employee elects to accept an overtime assignment prior to the end of their scheduled shift, or (b) the employee was on "Involuntary On-Call" status according to the provisions of "Article 14, Section IX".

b. Start of Period and Immediate Callback

If all of these conditions apply: (a) the employee's regularly scheduled shift has already ended and (b) they are required to report back to work immediately (as soon as they can get there) and (c) they report to the work location within one (1) hour, the four (4) hour minimum period commences with the acceptance of the assignment and ends four (4) hours later; otherwise the four (4) hour minimum period commences at the time of reporting to the work location. (For example, if an employee's regularly scheduled shift ends at five (5:00) p.m. and they are contacted at midnight (12:00) a.m. that night and required to report back to work immediately and they report to the work location within the hour—before one (1:00) a.m.—the four (4) hour minimum period commences at midnight—with the acceptance

of the assignment. If an employee's regularly scheduled shift ends at five (5:00) p.m. and they are required to report back to work the next morning at six (6:00) a.m., then the four (4) hour minimum period commences at six (6:00) a.m.—at the time of reporting to the work location).

2. “Schedule Change” or “Mandatory Meeting” - Greater Than or Equal to Twenty-four (24) Hours Advance Written Notice

a. Compensation

Any employee who is required to report to work at the direction of management outside of their regularly scheduled working hours or on a scheduled day off—and there is greater than or equal to twenty-four (24) hours and less than ten (10) calendar days advance written notice—shall be compensated for time worked at the appropriate rate according to the provisions of “Article 14.IV”. If there is greater than or equal to ten (10) calendar days advance notice, the employee shall be (a) compensated as above; or (b) notified in writing of the change to their regularly scheduled working hours.

b. Length of Break between Shifts

In the event an employee is required to work additional hours between the end of their regularly scheduled shift and the beginning of their next regularly scheduled shift and the break is less than ten (10) hours, the County shall:

1. allow the employee to flex the beginning time of their regularly scheduled shift to allow for a ten (10) hour break, County needs permitting; or

2. compensate the employee at their regular scheduled rate of pay for the difference between ten (10) hours and the actual hours they are off between the end of work and the start of their shift. For example, if an employee's regular shift normally ends at ten (10:00) p.m., works until midnight (12:00 a.m.) and then is scheduled to begin work at eight (8:00) a.m., the break is only eight (8) hours, they would be compensated for an additional two (2) hours.

This compensation shall be in addition to their rate of pay for actual hours worked. This additional compensation only applies when there is greater than or equal to twenty-four (24) hours advance written notice.

B. Receiving Work Telephone Calls at Home

Any employee who is called at home or a location other than their job site for work related business during their off-duty time, and is not required to report to a work site, shall receive one (1) hour pay at the appropriate rate according to the provision of Section IV

below. Multiple calls with less than twenty (20) minutes between the end of the first (1st) and beginning of the second (2nd) (or more) calls will be considered one (1) call. This provision does not apply to telephone calls regarding work scheduling, messages left on voicemail or answering machines and/or worksite directions.

C. Off Duty Work at Home

Any employee directed to perform work from home outside of their regular scheduled hours, will receive one (1) hour pay or the length of work whichever is greater, at the appropriate rate according to the provision of Section IV below.

D. Cancelled Court Appearance on Day Off

When an employee is required to make a court appearance as a result of their job on their regularly scheduled day off, and such court appearance is canceled and the employee is not notified of the cancellation by or on the employee's last scheduled work day prior to the scheduled court appearance, then the employee shall receive two (2) hours pay according to the provisions of Section IV below even though the court appearance was canceled.

IV. Overtime

A. Overtime

Employees will be compensated at the rate of one and one half (1 ½) times their regular hourly rate of pay in the following circumstances:

1. In excess of eight (8) hours in any work day for a five (5)-day, forty (40)-hour a week employee; or
2. In excess of ten (10) hours in any work day for a four (4) day, forty (40)-hour a week employee; or
3. In excess of forty (40) hours in any FLSA work week.

B. Double Time

1. All work performed beyond regular overtime on a full-time employee's scheduled second (2nd) or third (3rd), or fourth (4th) day of rest will be paid at the rate of two (2) times the employee's regular rate of pay, provided that an employee who has refused to work a full shift on the employee's first (1st) scheduled day of rest will be paid at the rate of one-and-one-half (1 ½) times their normal rate.

2. The first (1st) day of rest shall be the employee's first (1st) day off following their final continuous day of rest. For example:

a. If an employee has three (3) continuous days of rest from Saturday through Monday, then Sunday and Monday will be their second (2nd) and third (3rd) days of rest.

b. If an employee has three (3) non-continuous days of rest on Wednesday, Sunday, and Monday, then Sunday and Monday will be their second (2nd) and third (3rd) days of rest.

3. Effective January 1, 2023 the second (2nd), third (3rd) and fourth (4th) day of rest shall be calculated on the basis from the first day of the Fair Labor Standards Act (FLSA) work week. For example:

a. An employee on a Monday through Sunday FLSA work week who has three (3) continuous days of rest from Saturday through Monday, then Monday would be their first day of rest, and Saturday and Sunday will be their second (2nd) and third (3rd) days of rest.

b. If an employee has three (3) non-continuous days of rest on Wednesday, Sunday, and Monday, then Monday would be their first day of rest, and Wednesday and Sunday will be their second (2nd) and third (3rd) days of rest.

4. The applicable day of rest will be determined by the calendar day the employee begins work and will remain in effect until (a) they leave work, or (b) their next regularly scheduled shift begins, whichever happens first. For example, if an employee starts work at ten (10:00) p.m. on their first (1st) day of rest and works until two (2:00) a.m. on the second (2nd) day of rest (and their next regularly scheduled shift has not begun during that entire time period), all the hours will be computed at one-and-one-half (1 ½) time. Work begun during the second or third day of rest will be computed at double time according to the provisions above.

5. Part-time employees who work in excess of forty-eight (48) hours in an employee's FLSA work week shall be compensated at the double rate for all such hours in excess of forty-eight (48) hours.

C. Overtime Administration

1. Computation of overtime - holidays and leaves:

When computing overtime, paid holidays and leaves with pay taken during the work week shall be considered as time worked.

2. Premium Pay in the Computation of Pay Rates:

1 When computing the overtime rate or vacation or sick leave pay due an
2 employee receiving premium pay, such premium pay must be included when the employee is
3 regularly assigned to premium work.

4 **3. Equal distribution of overtime work:**

5 Overtime work shall be distributed as equally as practicable among
6 employees working within the same job profile within each work unit providing they have
7 indicated in writing a desire to work overtime to their supervisor. The County will endeavor to
8 post rules related to overtime distribution in all work units in which overtime is assigned, and
9 shall post such rules or procedures in each work unit with twenty-four (24) hour or seven (7)
10 day-per-week operations.

11 **4. No discrimination:**

12 There shall be no adverse actions taken or discrimination against any
13 employee who declines to work overtime. Overtime work shall normally be voluntary except in
14 cases where the County Chair or designee, Department Director, Sheriff, or District Attorney
15 has notified impacted employees that they believe the public health, safety and welfare, or
16 critical public interest may be at risk.

17 **5. Discipline for unauthorized overtime:**

18 Employees working unauthorized overtime may be subject to discipline.

19 **6. No suspending work to avoid overtime:**

20 Employees shall not be required to suspend work during regular hours to
21 avoid overtime.

22 **7. Compensatory time:**

23 Compensatory time may be accrued by agreement between the County
24 and the employee with the following limitations. Specifically, in lieu of overtime pay, an
25 employee may with supervisory approval elect to accrue compensatory time off equal to the
26 applicable overtime rate for each hour of overtime worked, provided:

27 **a.** The maximum allowable accumulation of compensatory time off
28 shall be eighty (80) hours.

29 **b.** Accrued compensatory time off may be used at the discretion of the
30 employee with the supervisor's consent.

31 **c.** In the event the employee terminates for any reason, accrued
32 compensatory time shall be paid off in cash to the employee or their heirs.

- d. Flexibility during the work week made at the employee's request is not subject to this section and is solely governed by Article 13, "Section V.B"

V. Shift Differential

A. Payment of Shift Premiums

1. Hours and amounts:

The County and the Union recognize that a work week may contain three (3) different shifts: day, swing, and graveyard. The County agrees to pay the following shift premium pay in addition to the established wage rate to employees who are scheduled to work eight (8) or more hours in a work day:

a. Swing shift premium

An hourly premium of one dollar (\$1.00) to employees for all hours worked on shifts beginning between the hours of twelve noon (12:00 p.m.) and six-fifty-nine (6:59) p.m.; or

b. Graveyard shift premium

An hourly premium of one dollar and twenty-five cents (\$1.25) to employees for all hours worked on shifts beginning between the hours of seven (7:00) p.m. and five-fifty-nine (5:59) a.m., provided that the employee was not called in early to a shift normally scheduled to begin at or after six (6:00) a.m.; or

c. Relief shift premium

An hourly premium of one dollar and twenty-five cents (\$1.25) to employees for all hours worked in the work week while assigned to a relief shift.

2. Definition of relief shift:

A relief shift occurs when an employee's work week does not contain four (4) like shifts, i.e., four (4) day shifts; four (4) swing shifts; or four (4) graveyard shifts. Employees assigned to a relief shift schedule are exempt from the provisions of Article 13, "Section I"; however, such employees must be given at least a twenty-four (24) hour notice of shift assignment.

3. Application to Hours Outside of Regularly Scheduled Shift:

a. Day shift employees who work at least twelve (12) hours continuously on a day they are regularly scheduled to work shall receive the applicable shift differential for all hours worked that fall outside of their shift in the window for Swing or Graveyard Differential.

1 **b.** Swing shift employees who work at least twelve (12) hours
2 continuously on a day they are regularly scheduled to work shall receive Swing Differential for
3 all hours worked that fall outside of their regular schedule in the window of Day shift. Swing
4 shift employees shall also receive Graveyard Differential for all hours worked that fall outside
5 of their regular shift in the window of Graveyard shift.

6 **c.** Graveyard shift employees who work at least twelve (12) hours
7 continuously on a day they are regularly scheduled to work shall receive Graveyard Differential
8 for all hours worked that fall outside of their regular shift. The employee receives the differential
9 regardless of whether they were called in early to a shift normally scheduled to begin at or after
10 six (6:00) am as long as they work twelve (12) continuous hours.

11 **d. Application of Hours on Days of Rest (<12 Hours)**

12 If an employee does not work at least twelve (12) hours
13 continuously on a day they are not regularly scheduled to work, they shall receive the applicable
14 shift differential for hours worked in the Swing or Graveyard Differential. For example:

15 **i.** An employee regularly scheduled to work swing shift
16 accepts an extra shift on their day of rest starting at 7:00 a.m. and ending at 3:30 p.m. The
17 employee works an additional two hours to 5:30 p.m. They are considered Day Shift and do
18 not receive any shift differential.

19 **ii.** An employee regularly scheduled to work day shift accepts
20 a shift on their day of rest beginning at noon (12:00 p.m.) and ending at 8:30 p.m. They will
21 receive Swing Differential for this entire shift.

22 **e. Application to Hours on Days of Rest (>12 Hours)**

23 If an employee works at least twelve (12) hours continuously on a
24 day they are not regularly scheduled to work, they shall receive the applicable shift differential
25 for hours worked in the Swing or Graveyard Differential. For example:

26 **i.** An employee regularly scheduled to work Swing shift
27 accepts an extra shift on their day of rest starting at 7:00 a.m. and ending at 7:30 p.m. They
28 will receive the Swing Differential from noon (12:00 p.m.) to 6:59 p.m. and Graveyard
29 Differential from 7:00 p.m. to 7:30 p.m.

30 **ii.** An employee regularly scheduled to work Graveyard shift
31 accepts an extra shift on their day of rest starting at 1:00 p.m. to 1:30 a.m. They will receive

the Swing Differential from (1:00 p.m.) to 6:59 p.m. and Graveyard Differential from 7:00 p.m. to 1:30 a.m.

f. An employee must work twelve (12) continuous hours in order for Article 14.V.A.3. to apply. An unpaid lunch break is not considered a break in continuous hours nor is it considered towards the twelve (12) continuous hours worked.

B. Inclusion of Shift Differentials in Wages

1. Inclusion in overtime rate:

When computing the overtime rate due an employee receiving shift differential pay, such pay must be included in the overtime rate.

2. Inclusion in sick and vacation pay:

Shift differentials shall continue to apply to all hours paid including sick leave or vacation hours if they occur during the employee's normally scheduled shift.

3. Shift pay disallowed for voluntary single shift change:

Employees are not entitled to shift differential pay for a single shift change that is done at the request of and for the benefit of the employee.

VI. Auto Allowance and Compensation

Auto allowance and compensation shall be paid pursuant to Addendum E.

VII. Deferred Compensation Plan

Subject to applicable federal regulations, the County agrees to provide a deferred compensation plan that provides for payment at a future date for services currently rendered by the eligible employee. Each new initial trial service/ regular and Limited Duration employee will be automatically enrolled in the County's Deferred Compensation program, at the rate of one percent (1%) of their pre-tax wages, unless the employee chooses to opt out. Specific terms and conditions of the deferred compensation program are controlled by the plan document.

VIII. Overpayments and Payments in Violation of Contract

Any employee receiving unauthorized payments has the obligation to call such error to the attention of their supervisor.

A. Unauthorized Overpayments

Any employee who receives payments to which they are not entitled, including but not limited to premium pay, shift differential, overtime pay, step increases, or any other salary, wage, or reimbursement which is not authorized by this contract or County Personnel

Rules, and which the employee knew or reasonably should have known they were not entitled to receive, shall reimburse the County for the full amount of the overpayment.

B. Payments in Error

When an employee receives payments due to a clerical, technical, or computer error, through no fault of the employee and where the employee did not and could not reasonably have known that the error occurred, the employee will only be liable for and the County shall only recover the overpayment for a period of one-hundred and eighty (180) days preceding the date of discovery of the error.

C. Repayment to the County

As soon as the overpayment is known, the County will make every effort to recover overpayments as specified in subsections A or B above, by payroll deduction over a reasonable period of time as determined by the County Human Resources Director.

D. Repayment to the Employee

When an error occurs which results in a negative impact on the employee, upon notification by the employee, and verification by the payroll division, payment in correction of the error shall be made in the employee's paycheck for the current pay period.

IX. On-Call Pay

A. Voluntary On-Call

Employees on a regular work schedule may volunteer to be placed on on-call duty beyond their regularly scheduled work day or work week and may be assigned an answering device for on-call purposes to avail themselves of the opportunity to receive additional pay. Any such employee on voluntary on-call status may refuse to report if called.

B. Involuntary On-Call (Standby Pay)

1. Employees shall be paid one (1) hour of pay or compensatory time off subject to Section IV.C.7 at the regular straight time rate for each eight (8) hours of assigned on-call duty. Employees who are assigned on-call duty for less than eight (8) hours shall be paid on a pro-rated basis at full hour increments.

2. An employee shall be assigned on-call duty when specifically required to be available for work outside their working hours and not subject to restrictions which would prevent the employee from using the time while on-call effectively for the employee's own purposes.

3. No employee is eligible for any premium pay compensation while on on-call duty except as expressly stated in this article. On-call duty time shall not be counted as time worked in the computation of overtime hours. An employee shall not be on on-call duty once they actually commence performing assigned duties and receive the appropriate rate of pay for time worked.

X. Waiver of State Overtime Requirements

To the extent allowable by law, the provisions of this Article and other provisions of this Agreement constitute an express waiver of ORS 653.268 as provided by ORS 653.269.

XI. Bilingual Pay

A. A differential of four percent (4%) over base rate will be paid to employees who have been directed to translate to and from English to another language (including the use of sign language). Direction to translate may come in the form of:

1. A language KSA has been assigned for the position.
2. An employee has received direction from management to translate on a routine basis.

3. Because of their assigned duties, an employee is routinely translating in the course of their employment with the County.

In all the above circumstances, bilingual pay premium shall be paid on all hours worked.

B. Bilingual pay will be paid on an *ad hoc* basis where an employee is translating but not on a routine basis. In such cases the premium will be paid on all hours worked conducting translation.

C. The County retains the right to set fluency requirements or standards under this Section as long as those requirements are being applied evenly to other employees.

XII. Culturally-Specific Knowledge, Skills, and Abilities Positions Compensation

A differential of four percent (4%) over base rate will be paid to employees in positions that have an additional Culturally-Specific Knowledge, Skills, and Abilities minimum qualification attached to them (e.g., such as those referenced in Article 21, III.E.10.). An employee may not simultaneously receive multiple premiums for related KSAs (e.g., premiums for a Vietnamese Culturally-Specific KSA and Bilingual pay for speaking Vietnamese).

XIII. Operationally Essential Assignment Compensation

A. Employees in positions that have been designated as Operationally Essential

1 Assignments shall receive two (2) saved holidays, at the number of hours described in Article
2 7.1.B., on October 16 of each year. An employee who transfers into an Inclement Weather
3 Essential Assignment after October 16 but before January 1 of the same fiscal year will receive
4 two (2) saved holidays effective to the date of their transfer.

5 **1.** An employee who transfers into an Operationally Essential Assignment on
6 or after January 1 but before March 15 of the same fiscal year will receive one (1) saved holiday
7 effective to the date of their transfer. An employee who transfers into an Operationally Essential
8 Assignment after March 15 will receive no saved holidays for the fiscal year.

9 **2.** An employee who transfers out of an Operationally Essential Assignment after
10 October 16, but before January 1 of the same fiscal year shall have one (1) saved holiday
11 deducted from their accrued leave; if the employee has already used both saved holidays, they
12 will have one (1) vacation day deducted from their accrued leave.

13 **B.** An employee that is not designated as operationally essential but, but who is
14 directed to report to work (or ad hoc telework if not on a hybrid or routine telework schedule)
15 under Article 13.IX. shall be paid an hourly premium of twenty percent (20%) of base pay for
16 all hours worked during a full County curtailment or closure of non-essential services.

17 **C.** Effective July 1, 2023, Operationally Essential employees will no longer receive
18 saved holidays as compensation but shall instead receive the hourly premium of twenty percent
19 (20%) for all hours worked during a full County curtailment or closure of non-essential services.

20 **XIV. Maintenance of Mandatory Licenses/Certifications**

21 An employee who is required by the County to maintain a license or certification as a
22 condition of employment in their job profile shall be reimbursed for licensure/certification fees
23 to the issuing body, and/or fees for continuing education units if required for maintenance of
24 licensure/certification, up to five hundred dollars (\$500.00) biennially, prorated based on the
25 employee's FTE. Continuing education units must have supervisor prior approval to be eligible
26 for reimbursement.

ARTICLE 15

JOB PROFILES AND PAY RANGES

I. Wage Schedule

Employees covered by this Agreement shall be compensated in accordance with the Wage Schedule attached to this Agreement as Addendum A, which by this reference is incorporated herein, and as modified by Article 14.

II. Step Placement and Anniversary Dates

A. New Employees and Rehires

1. A rehire is an employee who has terminated regular employment with the County, and is subsequently selected to occupy a regular position from a civil service list. (Former employees who return to regular County employment without being selected from a list are not rehired, but reinstated. See "Section II.G.1" below.)

2. New employees and rehires will be paid at the minimum rate in the range for their job profile unless a higher rate is approved by the Central Human Resources Manager or their designee.

3. The anniversary date for wage increases for new employees will be the date of regular appointment, and the date for rehires will be the most recent date of regular appointment. However, the anniversary date for new employees and rehires will be adjusted to reflect any additional job profile seniority credit, such as credit for temporary service in the job profile, which they receive under the provisions of Article 21.

B. Step Increases

A regular status, trial service status, or limited duration appointment status employee not at the maximum of their pay range shall receive an anniversary step increase upon the completion of one year of service within the job profile at the current step. Service within the job profile is measured in accordance with Article 21.

C. Promotion

1. Definition:

A promotion is an appointment to a job profile with a higher top step than in the preceding job profile.

2. Pay adjustments upon promotion:

a. The base pay of a newly promoted employee will be at least one step higher than their base pay in the lower job profile, unless such an increase puts them beyond the top of the higher range.

b. If the employee's base pay in the lower range plus one step increase is lower than the first step in the higher range, the employee will be paid at the first step rate.

c. If the employee's base pay in the lower range plus one step increase is higher than the top step in the higher range, the employee will be paid at the top step rate.

d. If the employee's base pay in the lower range plus one step increase falls within the higher range, the employee will be paid at the step rate which represents at least a one step increase, but less than a two step increase in base pay.

e. The rate of pay upon promotion for lead workers who have received lead pay continuously for a year or more immediately prior to the promotion will be calculated as if the lead pay were part of the base rate.

f. The rate of pay upon promotion for employees who have received bilingual pay or cultural competency pay continuously for a year or more immediately prior to the promotion will be calculated as if those premiums were part of the base rate.

g. Notwithstanding the provisions of this section II.C., a higher rate of pay may be approved at the discretion of the Central Human Resources Manager or their designee. Such approval must be within the pay range for the employee's job profile and will be based on the factors listed in MCPR 2-40-050 including market rates for similar jobs in the community; additional relevant experience and/or training of the employee; pay relationships within the unit or department; previous salary; available funds to finance the salary; and the action must appear prudent to the public.

3. Anniversary date upon promotion:

The employee's anniversary date for wage increases will be the date of a regular appointment to the higher job profile, unless the employee receives additional seniority credit, such as credit for continuous, contiguous temporary service in the higher job profile.

4. Failure to complete Promotional Trial Service:

a. When a regular employee is promoted and does not complete the Promotional Trial Service period for that job profile, they shall be reinstated to a position in the

job profile and department from which the employee was promoted. Reference to Promotional Trial Service period in this section applies to any Local 88 or non-Local 88 Promotional Trial Service period in Multnomah County. Employees who do not complete Promotional Trial Service period within the first six (6) months, in a Local 88 position and return within the Trial Service period to their previous position shall treat such time in the higher job profile as seniority accrual in the lower class. Employees who do not successfully complete Promotional Trial Service period in a non-Local 88 bargaining unit position shall have their time count towards their total length of continuous service within the County.

b. The employee will be placed at the same step in the old range that they would have been on but for the promotion.

c. The anniversary date for wage increases will revert to the anniversary date in effect prior to the promotion.

D. Demotion

1. Definition:

A demotion is the voluntary or involuntary movement of an employee from a position in a higher job profile who has attained regular status in that position, to a position in a lower job profile having a lower maximum pay rate. Reinstatement to a previously held position after failure to complete the trial service is not a demotion.

2. Pay adjustments upon demotion:

a. Employees demoted for other than disciplinary reasons will receive the rate of pay in the lower pay range that causes the least reduction in base pay. No demoted employee shall receive an increase in base pay.

b. Employees demoted for disciplinary reasons will receive the rate of pay in the lower pay range specified as a part of the disciplinary action. If no rate of pay is specified, they will receive the rate provided for in "Subsection a" above.

3. Anniversary dates upon demotion:

A demoted employee's anniversary date for wage increases will remain the employee's current anniversary date.

E. Transfer

1. Definition:

A transfer, for purposes of payroll administration, is an appointment to another position within the job profile held, or to a position in another job profile with the same

top step. The same rules for step placement and establishing anniversary dates apply whether the transfer occurs within the bargaining unit or from outside the unit.

2. Pay adjustments upon transfer:

a. If an employee transfers to another position in the same job profile, or to another job profile with the same pay range and steps, there will be no change in the employee's rate of pay.

b. If an employee transfers to another job profile with the same top step, but with different lower steps, the employee will be paid at the step in the new range which is nearest to their former rate without causing a reduction in pay.

3. Anniversary dates upon transfer:

The employee's anniversary date will remain unchanged.

F. Reclassification

Wage adjustments and anniversary dates upon reclassification are covered in "Section V" below.

G. Reinstatement

1. Step placement upon reinstatement:

a. If an employee is recalled from a recall list, after voluntary demotion (with no change in step anniversary date), or after a leave of absence, the employee will be placed at the same step they were on when they left the job profile.

b. A former County employee who is not on a recall list may also be reinstated at the discretion of the Human Resources Manager or designee. If reinstated to the job profile most recently held, the employee will be placed at the same step they were on when they left the job profile.

2. Anniversary dates upon reinstatement:

The anniversary dates of reinstated employees will be adjusted so that if the time spent away from the job profile exceeds thirty (30) days in duration, none of the time away will count.

3. Trial Service Period:

a. Reinstated employees who have not previously attained regular status must serve the remainder of their new hire Initial Trial Service period. If an employee who has not previously attained regular status is reinstated to a different department, their new

hire Initial Trial Service period may be extended sixty (60) additional days by mutual agreement of both parties.

b. If an employee who has previously attained regular status is reinstated to a different department, the employee may be required to serve a sixty (60) day Trial Service period by mutual agreement of both parties. Employees who have been recalled, although not subject to an additional Trial Service period, are subject to the provisions of Article 21, "Section V.A.(Recall)".

H. Special Pay Adjustments

Notwithstanding the provisions of this section II, a special pay adjustment may be authorized to an employee's pay rate subject to the discretion and final approval of the Central Human Resources Director or their designee. Such pay adjustments must be within the pay range for the employee's job profile and will be based on pay relationships within the unit or department; available funds to finance the salary; and the action must appear prudent to the public. The Union will be provided advance notice of approvals or denials of special pay adjustment requests, by the Central Human Resources Director, with the rationale for approval or denial. If a special pay adjustment is granted to the same job profile within a work unit more than once in a twelve (12) month period, management shall initiate a market study for that job profile.

I. When setting pay, the County will conduct a pay equity analysis in accordance with Oregon law. If an employee requests a higher salary and is denied, the County will provide written justification for the decision upon request. The parties agree that the Collective Bargaining Agreement does not prevent the County from placing a new hire employee or promoted employee at a higher step as long as it is consistent with Oregon Law.

III. Temporary Work in a Higher Job Profile

A. Work Out of Class

1. Definition:

An employee works out of class when they are assigned in writing by a supervisor to assume the major distinguishing duties of a position in a higher job profile and/or to replace another employee in a higher job profile, and to perform a majority of the principal duties of that job profile, for thirty (30) days or less. Upon request, on a case-by-case basis, the County will provide the Union with the rationale for use of a temporary hire instead of a work out of class assignment.

1 **2. Compensation for work out of class:**

2 An employee working out of class will be compensated according to the
3 promotional policy above. (See "Section II.C") Note that if the employee's pay range and the
4 higher range overlap, the policy provides for an increase of approximately one step; if the
5 ranges do not overlap, the policy generally provides for an increase to the first step of the higher
6 range.

7 **3. Paid leave and work out of class:**

8 **a.** When an employee works in a higher job profile during all hours
9 worked in an FLSA work week or longer period of time, the employee will be paid the out of
10 class rate for all hours in pay status on days in which the employee was on leave for less than
11 half ($\frac{1}{2}$) a shift.

12 **b.** An employee using leave while working out of class will be paid at
13 their regular rate of pay for all hours in pay status on days in which they worked half ($\frac{1}{2}$) or less
14 of their scheduled hours.

15 **B. Temporary Appointments**

16 When management anticipates that an employee will be performing the principal
17 duties of a higher job profile for a period of more than thirty (30) days, the employee may be
18 given a temporary appointment to a position in the higher job profile. Management will make
19 an effort to use temporary appointments to cover temporary needs of more than ninety (90)
20 days but not longer than six (6) months as defined by Article 22 Section II.B. Upon request on
21 a case-by-case basis, the County will provide the Union with the rationale for use of a temporary
22 hire instead of a temporary appointment of a current employee.

23 **1. Appointment to a higher job profile in the bargaining unit:**

24 When the appointment is to a job profile within the bargaining unit, written
25 verification of the temporary appointment will be placed in the employee's personnel file, and
26 the following provisions will apply:

27 **a.** The employee's rate of base pay will be set according to the
28 promotional policy above;

29 **b.** The higher base rate will apply to all hours the employee is in pay
30 status; and

31 **c.** The employee has the right to return to their regular position at the
32 end of the appointment without loss of seniority.

1 **2. Appointment to a non-bargaining unit job profile:**

2 **a.** When the appointment is to a non-bargaining unit job profile, written
3 verification of the temporary appointment will be provided to the employee and placed in the
4 employee's personnel file.

5 **b.** The employee's salary in the temporary appointment will be set
6 according to the Personnel Rules governing promotions to non-bargaining unit positions.

7 **c.** The following provisions will also apply to employee salary
8 increases in the temporary appointment if the increase does not exceed the maximum of the
9 pay range in the temporary appointment job profile:

10 **i.** The employee's salary will be increased by the percentage
11 or fixed dollar amount of any COLA given to management employees.

12 **ii.** The employee shall receive a three percent (3%) increase in
13 pay on the employee's anniversary date for their base job profile to recognize the step increase
14 the employee would have received if they were not in the temporary appointment.

15 **d.** While in the temporary appointment:

16 **i.** The employee is not eligible to receive overtime pay, shift
17 differential, or other forms of pay not available to regular employees in a non-bargaining unit
18 job profile;

19 **ii.** The employee's health and welfare benefits plan will not
20 change;

21 **iii.** The employee's accrual and use of paid leave will be
22 governed by the rules applying to regular employees in a non-bargaining unit job profile;

23 **iv.** The employee has the right to return to their bargaining unit
24 position at the end of the appointment without loss of seniority and shall be placed at the same
25 base hourly rate the employee would have received but for the temporary appointment; and

26 **v.** The employee will pay Union dues or such alternatives as
27 are provided by Article 5, and will continue to be represented by the Union in accordance with
28 Article 3.

29 **IV. Reclassification**

30 **A. Definition**

31 A reclassification review is an analysis of an employee's duties and
32 responsibilities to determine whether the employee is in the correct job profile. Individual

employees or management may initiate a re review by completing a request form and submitting it to Central Human Resources. Central Human Resources may also initiate studies of positions or groups of positions.

B. Procedure

1. Copies of completed request forms will be forwarded to the Union by the Central Human Resources within fifteen (15) days of receipt.

2. Central Human Resources will notify the Union when it initiates a study.

3. Central Human Resources will render a decision to affected employees with a copy to the Union within sixty (60) days of receiving a request or initiating a study.

4. If the employee is placed in a new job profile, the wage range for that job profile will be established by the procedures described in "Section V.A" below.

5. Wage increases resulting from an upward reclassification will be effective retroactively to the date of the reclassification request. However, the Human Resources Manager or their designee may authorize retroactivity up to six (6) months prior to the date completed and updated position description for submission in Workday is sent to their department human resources with a request for reclassification. Employees are also encouraged to notify their manager of their request for reclassification. Incomplete position descriptions will not count.

6. If an employee's position is reclassified to a new or higher job profile, a Bilingual or Cultural Competency KSA that was attached to the lower job profile will remain with the position unless the County gives notice of the KSA removal to the employee and Union.

C. Resolution of Reclassification Disputes

1. The outcome of a reclassification request may be appealed under Article 18 at Step 3 of the grievance procedure within thirty (30) days of the date on which notice of the decision from Central Human Resources is received.

2. If the grievance is advanced to Step 4, the arbitrator will fashion their award within the following parameters:

a. The arbitrator shall be limited to deciding if the employee's principal duties fall within the job profile to which their position is allocated by the County;

b. If the arbitrator determines that the position is improperly allocated, the arbitrator shall direct the County to allocate the position to another existing job profile. If no appropriate job profile exists, the arbitrator shall direct the County to establish such a job profile;

c. The arbitrator shall have no authority to modify a job profile or establish a new job profile.

V. Pay Adjustments

A. If an employee's rate of pay is below the minimum for a new salary range, their pay will be raised to the minimum rate.

B. If an employee's rate of pay is within the new salary range but does not match a step in that range, their wage will be raised to the closest step. If the employee's rate of pay matches a step of the new range, there will be no change in their hourly rate.

C. If an employee's rate of pay is above the maximum of the new salary range, the rate will not change but will be frozen, and the employee will not receive any increases in base pay, specifically to include general wage increases. However, when the top step of the new range has risen to exceed the frozen rate of pay, the employee will be paid at the top step rate.

D. When an employee is reclassified, their anniversary date for a wage increase will not be changed.

VI. Establishing Wage Rates for New Job Profiles

A. Method of Determining Wage Rates

Wage rates for new and substantially revised job profiles will be established by Central Human Resources in the following manner:

1. Assign a range which is reasonably related to the average mid-point of wage ranges collected for comparable job profiles within the agreed upon labor market or reasonable comparables.

2. In the event sufficient market comparable data are not available, Central Human Resources may, at its discretion, use point factor evaluation or internal equity to determine a new wage range for a job profile based on comparable levels of complexity found within the County's structure.

3. Central Human Resources may, at its discretion, assign rates higher than those indicated in "Subsection 2" above if such rates are indicated by conditions in comparable labor markets for workers in comparable job profiles.

4. Central Human Resources shall notify the Union of the range and its effective date.

B. Resolution of Disputes Concerning Wage Ranges Assigned to New Job Profiles

1 1. Within ten (10) working days of receiving notice from Central Human
2 Resources, the Union may notify the County's designee for labor relations of its desire to
3 discuss the appropriateness of the pay range assigned.

4 2. If the parties are unable to reach agreement on a wage range, the matter
5 will be resolved under Article 18 at Step 4 of the grievance procedure.

6 a. At Step 4 the arbitrator may either affirm that the pay range
7 assigned by the County satisfies the requirements of "Section A" above, or specify the
8 parameters within which a range would satisfy the criteria.

9 b. The arbitrator's decision will be final and binding and will be
10 retroactive to the effective date established in the County's notice, per "Section VI.A.4" above.

11 **VII. Market Adjustments**

12 The Central Human Resources Manager, or their designee for job profile and
13 compensation administration, may notify the Union in writing that market based adjustments to
14 the rates and ranges of certain job profiles are warranted. Such adjustments may be
15 implemented upon written approval of the Union.

16
17
18 **VIII. Qualified Arbitrator**

19 Recognizing the technical expertise required to adjudicate disputes relating to job profile
20 allocations and the establishment of pay rates, the parties agree to use an arbitrator with such
21 technical expertise during the life of this Agreement.

ARTICLE 16**PENSIONS****I. PERS Membership**

Employees shall be eligible for participation in the Oregon Public Employees' Retirement System (PERS) and the Oregon Public Service Retirement Plan (OPSRP) pursuant to ORS 238 and 238A subject to the terms and conditions of the Agreement, dated January 22, 1982, integrating the Multnomah County Employees' Retirement System and PERS, such Agreement having been entered into between the Public Employees' Retirement Board and Multnomah County pursuant to the provisions of ORS 238.680.

III. PERS Pick-Up

The County shall "pick up" the employee contribution to PERS as permitted by ORS 238.205. Should for any reason the ORS 238.205 "employer pick-up" no longer be legally available the County shall on the last payroll period of this Agreement increase employee wages by six percent (6%) and return to the limited "pick up" provided for prior to September 1, 1998, including but not limited to the terms of compensation for non-PERS members. Pursuant to ORS 238.205(5) and (6), the parties agree and acknowledge that employee compensation was reduced in order to generate the funds needed to make these employee contributions to the employee accounts; the employer will file any required notices with the Public Employees Retirement Board.

IV. OPSRP Employer Pick-Up

The County shall "pick up" the employee contribution to OPSRP as permitted by ORS 238A.335(1). Should for any reason the ORS 238A.335(1) "employer pick-up" no longer be legally available the County shall on the last payroll period of this Agreement increase employee wages by six percent (6%) and return to the limited "pick up" provided for prior to September 1, 1998, including but not limited to the terms of compensation for non-OPSRP members. Pursuant to ORS 238A.335(2)(a) and (3), the parties agree and acknowledge that employee compensation was reduced in order to generate the funds needed to make these

employee contributions to the employee accounts; the employer will file any required notices with the Public Employees Retirement Board.

V. Pension Stability Account Diversion Replacement

A. If any contributions made under Section III. and IV. of this Article are credited to the employee pension stability accounts under ORS 238A.330, the County shall upon discovery or notification from PERB in turn notify each affected employee of their right to make additional contributions to the individual account program in the amount credited to the employee pension stability account.

B. If an employee elects to make an additional contribution, the County shall certify to the employee that the contribution has been remitted to the PERB for that Board to credit the employee's contribution to the account established for them under ORS 2328A.350(2).

VII. Retiree Medical Insurance

A. Definitions

For purposes of this section, a "retiree" refers to a person who retired from the County on or after the execution date of this Agreement and, at the time of retirement, occupied a position covered by this bargaining unit. For purposes of this section, a "member" refers to an active employee(s) in a position covered by this Agreement.

B. Right to Participate

Except as otherwise provided by this section, retirees may continue to participate in the County medical plan available to members. Coverage of eligible dependents uniformly terminates when coverage of the retiree terminates, except as otherwise required by applicable state or federal law.

C. Choice of Plan

To the extent members are permitted to choose from among two (2) or more medical insurance plans, retirees shall be permitted to choose between the same plans under the same conditions and at the same times as apply to members. Retirees participating in the members' medical insurance plan shall be subject to the application of any change or elimination of benefits, carrier, administrator or administrative procedure to the same extent and at the same time as members.

D. Retiree Responsibilities

The retiree shall be responsible for promptly notifying the Benefits Administrator in writing, of any changes in the retiree's current address and of any changes in retiree or dependent eligibility for coverage.

E. Eligibility for County Payment of One Half of Premium

The following terms related to benefit payments, service, and age requirements shall also apply:

1. Payment at Fifty-eight (58):

The County shall pay one half ($\frac{1}{2}$) of the monthly medical insurance premium on behalf of a retiree and the employee's eligible dependents from the retiree's fifty-eighth (58th) birthday or date of retirement, whichever is later, until the retiree's sixty-fifth (65th) birthday, death, or eligibility for Medicare, whichever is earlier, if the retiree had:

a. five (5) years of continuous County service immediately preceding retirement at or after age fifty-eight (58) years, or

b. ten (10) years of continuous County service immediately preceding retirement prior to age fifty-eight (58) years.

2. Payment at Fifty-five (55) or earlier:

The County shall pay one half ($\frac{1}{2}$) of the monthly medical insurance premium on behalf of a retiree and the employee's eligible dependents from the retiree's fifty-fifth (55th) birthday or date of retirement, whichever is later, until the retiree's sixty-fifth (65th) birthday, death, or eligibility for Medicare, whichever is earlier, if the employee had:

a. Thirty (30) years of continuous service with employers who are members of the Oregon Public Employee Retirement System and twenty (20) or more years of continuous County service immediately preceding retirement; provided, however that employees employed on or before July 1, 1992, who are eligible for PERS regular retirement with thirty (30) years of PERS service and twenty (20) years of County service shall be eligible for County payment of half the medical premium without waiting until age fifty-five (55), or

b. Ten (10) years of continuous County service immediately preceding retirement in the event of disability retirement.

F. Eligibility for Medicare

Actual application for Medicare shall not be required for a finding that a retiree is "eligible for Medicare" under "Subsection E" of this section.

1
2 **G. Part-Time Pro-rating**

3 Half-time service shall be pro-rated as half for purposes of the service
4 requirements under "Subsection E" of this section. (For example, half-time service for two (2)
5 months would equal one (1) month toward the applicable service requirement.). Three-quarter-
6 time service shall be pro-rated as three-quarters for purposes of the service requirements under
7 "Subsection E" of this section. (For example, three-quarter-time service for four (4) months
8 would equal three (3) months toward the applicable service requirement.).

9 **H. Requirement to Continuously Participate**

10 1. In addition to the other requirements of this section, continued medical
11 plan participation or benefit of County contributions is conditioned on the retiree's continuous
12 participation in a County sponsored medical and/or dental insurance plan from the time of
13 retirement, and upon the retiree's timely payment of the applicable retiree portion (i.e., fifty
14 percent (50%) or one hundred percent (100%) as applicable) of the monthly premium. Except
15 as described below in subsection 2. Failure to continuously participate or make timely and
16 sufficient payment of the applicable retiree portion of the monthly premium shall terminate the
17 retiree's rights under this section.

18 2. A retiree who retires on or after ratification of this Agreement will be
19 allowed to leave County coverage, and then opt back on to a County plan, as a one-time
20 opportunity. To receive this benefit, however, the retiree must demonstrate continuous
21 coverage under a plan that meets the minimum value requirements set forth under the
22 Affordable Care Act (ACA), e.g., an employer-sponsored group medical plan. The retiree
23 must enroll within sixty (60) calendar days of loss of coverage under the non-County group
24 medical plan. The effective date of coverage will be the first day of the month on or after
25 receipt of all enrollment forms.

26 3. The County shall inform the retiree of the identity and mailing address of
27 the County's collection agent and acceptable forms of payment at the time the retiree
28 signs up for continued post-employment medical and/or dental insurance coverage and
29 shall inform the retiree of changes in collection agent not less than forty-five (45) days
30 in advance of the effective date of such change.

31 **I. State and Federal Tax Offset**

1 In the event County medical insurance premium payments on behalf of retirees
2 or their dependents are made subject to state or federal taxation, any additional costs to the
3 County shall be directly offset against such payments required under this section. (For
4 example, if the effect on the County of the additional tax is to increase the County's outlay by
5 an amount equivalent to ten percent (10%) of aggregate monthly retiree premium, the County's
6 contribution shall be reduced to forty percent (40%) of premium so that net County costs will
7 remain unchanged.)

ARTICLE 17
DISCIPLINARY ACTION

I. Forms of Discipline for Cause and Notice Requirements

Employees may, in good faith for cause, be subject to disciplinary action by oral or written reprimand, demotion, reduction in pay, suspension, dismissal, or any combination of the above; provided, however, that such action shall take effect only after the supervisor gives written notice of the action and cause to the employee and mails written notice to the Union. Oral or written reprimands do not require prior written notice.

II. Definition of Cause

A. Cause shall include misconduct, inefficiency, incompetence, insubordination, indolence, malfeasance, or failing to fulfill responsibilities as an employee.

B. Job Abandonment

If an employee fails to report or communicate their absence to the County for seven (7) calendar days, the County shall send a certified letter to the employee's address of record and personal email if known notifying them that they will be deemed voluntarily terminated if they do not contact their supervisor and report to work within seven (7) calendar days from the date of the letter. However, if an employee provides evidence that they were unable to contact the County due to medical reasons or other good cause, the County shall rescind the employee's resignation. Nothing in this section is intended to prohibit application of disciplinary action in cases of absence without approval.

III. Appeal Rights

A. Written Reprimand

Any regular, non-initial trial service employee who is reprimanded in writing shall have the right to appeal the reprimand through Steps 1 and 2 only of the grievance procedure set out in Article 18.

B. Reduction in Pay, Demotion, Suspension, or Dismissal

Any regular, non-initial trial service employee who is reduced in pay, demoted, suspended, or dismissed shall have the right to formally grieve within thirty (30) days of receipt of the letter imposing disciplinary action. The employee shall submit the grievance to the supervisor or manager who imposed the discipline. For example, if the discipline was imposed

1 by a department director, the matter would be submitted directly to the department director at
2 Step 2.

3 **C. Other**

4 Written documents (excluding performance evaluations) given to an employee
5 that addresses deficient work performance/conduct and is not discipline may be appealed to
6 the department director. Such documents will not be placed in the employee's personnel file.

7 **IV. Manner of Accomplishing Reprimands**

8 If the County has reason to reprimand an employee, every reasonable effort will be
9 made to accomplish the reprimand in a manner that will not embarrass the employee before
10 other employees or the public.

11 **V. No Abridgement of Rights**

12 Nothing in this contract shall be construed to abridge any employee's constitutional or
13 civil rights. Employees have the right to Union representation. If the employee so desires, they
14 shall be afforded Union representation.

ARTICLE 18
SETTLEMENT OF DISPUTES

I. Purpose

Any grievance or dispute involving the application, meaning or interpretation of this Agreement shall be settled under the provisions of this article.

II. Filing a Grievance

A. Before filing a grievance concerning a non-disciplinary matter, the aggrieved employee and/or the Union will attempt to resolve the issue informally.

B. A grievance is filed when the grievant or their union representative submits a written statement of the grievance at the appropriate step of the grievance procedure. The grievant may use a grievance form provided by the Union or submit a memorandum containing the following information:

1. Name of the grievant(s)

2. The date of filing

3. A description of the relevant facts upon which the grievance is based and explanation of the grievance

4. A list of the articles and sections of the contract allegedly violated

5. An explanation of how the alleged facts violate the articles/sections

6. A description of remedy sought

C. In order to be timely, grievances must be filed as follows:

1. Disciplinary grievances must be filed within thirty (30) days after receipt of the letter imposing disciplinary action.

2. Non-disciplinary grievances must be filed within thirty (30) days of the alleged violation of the contract, or within thirty (30) days of the date on which either the grievant or the employee's representative became aware, or should have become aware, of its occurrence. Whether or not the grievant or the union was aware of the alleged violation, no grievance may be filed more than sixty (60) days from the date of its occurrence. However, the sixty (60) day limitation cited above is not intended to affect the pursuit of grievances regarding alleged ongoing violations of the contract.

3. Grievances regarding the calculation of seniority will be timely, filed according to the provisions of Article 21, Seniority and Layoff, "Section VII.B.1".

4. For the purposes of this article, as in the rest of this Agreement, "days" means "calendar days," unless otherwise specified. However, if the 15th and/or final day, whichever is applicable, falls on a weekend or holiday, as defined in Article 7.A. except for floating holiday time, the 15th and/or final day will be considered the next business day immediately following the weekend or holiday.

5. Submissions at each step of the grievance procedure will be considered timely if they are mailed or delivered by eleven-fifty-nine (11:59) p.m. of the last day. Failure on the part of the moving party to process grievances within the time limits at any step in accordance with the provisions of this Article shall constitute a waiver of the grievance. Timelines at any stage of the grievance procedure may be extended by mutual agreement between the County and the Union. The parties agree that the timelines for filing and responding to a grievance at any step will be held in abeyance from the last business day prior to the observed Christmas Day holiday to the first business day after the observed New Year's Day holiday.

D. Grievances will be filed at Step 1 of the grievance procedure (see "Subsection 3" below) with the following exceptions:

1. The County and the Union mutually agree to filing at a higher step.

2. Disciplinary grievances will be filed with the manager or supervisor who imposed the discipline. If they are the department director, the grievance will be filed at Step 2.

3. The following types of grievances will be filed at Step 3:

a. Grievances regarding the calculation of seniority per Article 21, Seniority and Layoff, "Section VII.B.1".

b. Grievances regarding reclassifications per Article 15, Job Profiles and Pay Ranges, "Section IV.C".

c. Grievances regarding changes in existing conditions per Article 24, General Provisions, "Section IV.C";

d. Grievances regarding work rules per Article 24, General Provisions, "Section III.D".

III. The Steps of the Grievance Procedure

A. Step 1. The Immediate Supervisor

1. Grievances submitted at Step 1 will be filed with the grievant's immediate supervisor. The grievant's supervisor, or other manager or supervisor appointed by the

department, will respond in writing to the grievant or the employee's Union representative within thirty (30) days of receipt.

2. There will be a mandatory meeting either at Step 1 or at Step 2 of the grievance procedure to formally discuss the grievance. Unless an exception is agreed upon by the Union and the County, the meeting will be attended by the grievant, the manager and/or supervisor designated by the County, and the Steward and/or other Union representative. If the grievance is a job profile grievance, a representative employee shall be deemed the grievant for the purposes of the mandatory meeting.

B. Step 2. The Department Director

Grievances submitted at Step 2 and grievances unresolved at Step 1 may be presented by the grievant or the employee's Union representative to the department director or their designee. Unresolved grievances must be submitted within thirty (30) days after the response is due at Step 1. The department director will respond in writing to the grievant or the employee's Union representative within thirty (30) days of receipt.

C. Step 3. Labor Relations

Grievances submitted at Step 3 and grievances unresolved at Step 2 may be presented by the grievant or the employee's Union representative to the Labor Relations Manager or their designee. Unresolved grievances must be submitted within thirty (30) days after the response is due at Step 2. Labor Relations will respond in writing to the grievant or the employee's Union representative within thirty (30) days of receipt.

D. Step 4. Arbitration

1. If the grievance has not been answered or resolved at Step 3, the Union may, within thirty (30) days after the expiration of the time limit specified in Step 3, request arbitration by written notice to the County.

2. The Union shall request a list of the names of seven (7) arbitrators from the State of Oregon Employment Relations Board. The Union and the County shall select an arbitrator from the list by mutual agreement. If they are unable to agree on a method, the arbitrator will be chosen by the method of alternate striking of names, the order of striking to be determined by lot. One day shall be allowed for the striking of each name. The final name left on the list shall be the arbitrator. Nothing in this section shall prohibit the Union and the County from agreeing upon a permanent arbitrator or permanent list.

1 **3.** The Union and the County agree that no less than five (5) days prior to
2 any scheduled arbitration hearing, they will mutually exchange copies of all exhibits and names
3 of witnesses intended to be offered at the hearing, except the work product of any attorney or
4 authorized representative involved.

5 **4.** No less than five (5) days prior to the scheduled arbitration, the Union and
6 the County shall submit to the designated arbitrator a signed stipulation of the issue before the
7 arbitrator. In the event they are unable to stipulate the issue in dispute, each party shall, not
8 later than four (4) days prior to the scheduled arbitration, submit to the arbitrator and the other
9 party a signed statement of the issue that party asserts is in dispute.

10 **5.** The arbitrator shall be requested to begin taking evidence and testimony
11 within twenty-five (25) days after submission of the request for arbitration; and the arbitrator
12 shall be requested to issue their decision within thirty (30) days after the conclusion of testimony
13 and argument. The Union and the County hereby vest the arbitrator with authority to compel
14 the attendance of witnesses on behalf of either party by issuance of a subpoena, the cost of
15 which shall be borne by the party requesting the subpoena.

16 **6.** The arbitrator's decision shall be final and binding, but they shall have no
17 power to alter, modify, amend, add to, or detract from the terms of this Agreement. The
18 arbitrator's decision shall be within the scope and terms of the Agreement and in writing. Any
19 decision of the arbitrator may provide for retroactivity not exceeding sixty (60) days prior to the
20 date the grievance was first filed, and it shall state the effective date of the award.

21 **7.** Expenses for the arbitration shall be borne by the losing party. Each party
22 shall be responsible for compensating its own representatives and witnesses. If either party
23 desires a verbatim recording of the proceedings, it may cause such record to be made, on the
24 condition that it pays for the record and makes copies available without charge to the other
25 party and/or the arbitrator.

26 **8.** Any time limits specified in the grievance procedure may be waived by
27 mutual consent of the parties. A grievance may be terminated at any time upon receipt of a
28 signed statement from the aggrieved party that the matter has been resolved.

29 **E. Content of Grievances and Responses**

30 The parties agree that it is mutually beneficial if grievances and responses
31 contain adequate explanations of the position of the parties at each step of the process. Failure
32 to do so will not be subject to grievance.

1 **IV. Representation of Employees**

2 **A. The Union as Exclusive Representative**

3 1. The Union is the exclusive representative of bargaining unit employees
4 with respect to conditions of employment governed by this Agreement under the State of
5 Oregon Public Employees Collective Bargaining Act.

6 2. Attorneys who do not represent the Union or the County may appear at
7 grievance meetings and hearings only at the mutual consent of the Union and the County.

8 3. An employee may file a grievance through Step 3 of the grievance
9 procedure without the assistance of the Union; however, departure from the grievance
10 procedure described herein shall automatically nullify the Union's obligation to process the
11 grievance. Also, whether or not the employee seeks Union assistance, the Union must be given
12 the opportunity to be present when a settlement offer is made, and any settlement must be
13 consistent with the terms of this Agreement.

14 **B. Stewards**

15 1. **Definition and designation:**

16 Employees selected by the Union as employee representatives shall be
17 known as "Stewards". The names of the Stewards and the names of other union officers and
18 Staff Representatives, who may represent employees, shall be certified in writing to the County
19 by the Union. A steward's role includes but is not limited to; attending investigatory meetings,
20 grievances, (investigating and presenting) and providing a new employee orientation to the
21 Union.

22 2. **Processing of grievances by Stewards:**

23 a. Upon notification to the grievant's supervisor of the name of the
24 grievant and the tentative cause of the grievance, or the name of the subject of a disciplinary
25 investigatory interview, a Steward(s) responsible for the grievant's work area may investigate
26 and process grievance(s) at the work site during working hours without loss of pay, or in the
27 case of an investigatory interview, participate in such interview without loss of pay. All efforts
28 will be made to avoid disruptions and interruptions of work.

29 b. Employees meeting with their Steward to process a grievance will
30 also be permitted to do so without loss of pay during working hours.

1 c. A Steward may not process a grievance in any other work area than
2 the one to which they are assigned by the Union unless mutually agreed by the Department
3 and the Union.

4 **3. Lead Stewards:**

5 A lead steward's role includes but is not limited to; All the duties of a
6 steward and attendance at countywide ERC meetings and other responsibilities as identified
7 by PECBA or mutually agreed to by the County and the Union.

8 **4. Notification:**

9 The Union will designate its Steward structure and notify the County on a
10 quarterly basis. The Union shall immediately notify the County of the names of Steward and
11 Lead Steward appointments upon their selection.

12 **V. Unfair Labor Practices**

13 If the County or the Union intends to file an unfair labor practice charge against the other
14 party, it shall give that party advance written notice of such intent and a reasonable opportunity
15 to meet to discuss the basis of such charge and possible resolution prior to the filing of the
16 charge, unless the delay needed for such a discussion would cause prejudice to the claim; in
17 the latter event, the notice and meeting is not excused, but may occur after the filing of the
18 charge.

ARTICLE 19**MODIFICATION OF WORK PERFORMED BY THE BARGAINING UNIT:****CONTRACTING, INTERGOVERNMENTAL AGREEMENTS, AND USE OF VOLUNTEERS****I. Contracting****A. Limitations on Contracting**

The County may contract or subcontract out work performed by employees in this bargaining unit regardless of impact on employees, including but not limited to layoff. In any instance in which such contracting or subcontracting would result in layoff, however, and the County is unable to find suitable or comparable alternative employment for the employees, this contracting or subcontracting will occur only if it was anticipated and considered as a part of the budgeting process and the Union Council Representative and/or President has been notified of the specific plan and its probable impact at least thirty (30) days prior to adoption of the annual budget, referred to as the "Adopted Budget", or formal Board consideration of budget modifications.

B. Meeting with the Union**1. Layoffs:**

The County agrees to meet with the Union to discuss the effect of proposed contracting out or subcontracting which would result in layoff prior to the presentation of the proposal to the Board for adoption. The County further agrees to meet with the Union, at its request, to explore the alternative of work force reduction by attrition.

2. Contract Reviews:

Parties agree to meet during the term of this agreement for the purpose of reviewing work that is contracted out, such as custodial work and the feasibility of such work being performed by bargaining unit employees.

3. Contracting In:

The County and the Union also agree to allow the Union the opportunity to bid on work which is being considered for contracting out in accordance with a procedure that is mutually agreed upon by the County and the Union.

C. No Interference with Contract

Any contracting out of bargaining unit work under the terms of this article shall be bound exclusively by the exercise of the discretion of the Board of County Commissioners, and

any appropriate elected executive, subject only to the limitations of this article and laws in effect at the time of execution of this Agreement, including but not limited to ORS 279B.030 to 279B.040. This exercise of discretion shall specifically not be bound by the requirements of any Initiative Petition, or law promulgated thereto, which becomes effective subsequent to the execution of this Agreement.

II. Intergovernmental Agreements

The County agrees to notify the Local 88 Council Representative and/or President when an Intergovernmental agreement which would affect the transfer of employees to or from the County is placed on the Board agenda. The County also agrees to provide the Union with a specific plan and its probable impact relative to Intergovernmental Agreements involving employee transfer, when such Agreements are anticipated, at least thirty (30) days prior to formal Board consideration of budget modifications or the Board's adoption of the annual budget related to such a transfer.

III. Rights and Benefits of Employees Involved in Consolidation, Merger, and Acquisition of Positions

A. The County and the Union recognize the provisions of ORS 236.610 through 236.650 in the event an employee of the County is transferred to another public employer as defined under ORS 236.610(2) for reason of merger, consolidation or cooperation agreement.

B. All employees acquired by the County as a result of merger, consolidation, cooperation agreement, or acquisition of a facility, shall be entitled to all rights and benefits granted employees under this Agreement and ORS 236.610 through 236.650.

IV. Volunteers

The County shall have the right to use volunteers at any time for any purpose. If a volunteer program is instituted which the Union reasonably believes may lead to employee layoffs, the County shall at the Union request meet and confer concerning alternatives which would eliminate or mitigate adverse impact on employees.

ARTICLE 20**WORKLOAD AND STANDARDS, TRAINING, PERFORMANCE****EVALUATION, AND ORGANIZATIONAL EXCELLENCE****I. Workloads and Standards**

A. It is the County's right to establish the workload for employees. In addressing the assigned workload, the employee's supervisor may establish reasonable job performance standards, and may, from time to time, revise them. Such standards shall be posted or individually stated to each affected employee, in order to assure advance comprehension and understanding of performance requirements. No employee shall be subject to disciplinary action for failure to meet standards of performance unless such employee has been fully advised of such expected performance standards, in advance of the work period in question.

B. When changes in functions, size, organization, mission, technology or equipment result in changes to the duties assigned to positions or the job profile of positions, and employees occupying those positions do not meet the new required knowledge, skills and abilities, such changes will be brought forward by management or the union to the Employee Relations Committee (ERC). The ERC will review the matter for alternatives that meet the needs of the County with the least amount of impact on the bargaining unit members. This review does not apply to employees who would be subject to layoff-based position elimination and/or budget reductions.

II. Employee Development and Training

A. Any time an employee is specifically required by management to participate in any development and training program shall be considered time worked for pay purposes, and all tuition, texts, training materials, and other expenses incident to such employee's participation shall be assumed by the County.

B. The County may subsidize employee participation in non-mandatory training or education based on relevance to the employee's job, budgetary limitations, and managerial priorities. Each department's labor-management committee will create a subcommittee of equal representation to develop a process for distribution of training opportunities. The subcommittee will also develop guidelines for employees to use when requesting training and for supervisors to use when determining appropriate training authorization.

1 1. The subsidy may be made in the form of a partial or total reimbursement
2 for expenses and/or time off with pay for part or all of the time required to attend.

3 2. Employees may obtain information on how to apply for training or
4 educational subsidies from their Departmental Human Resource Office.

5 3. If approved prior to enrollment, reimbursements will be made within thirty
6 (30) days of successful completion of the training or coursework, provided the employee has
7 submitted verification as required under department policy.

8 **III. Performance Evaluation**

9 A. The County may implement and maintain performance evaluation processes
10 involving members of the bargaining unit. It is the desired goal of the County and Local 88 for
11 all employees to have their work performance evaluated annually.

12 B. Employees will have the right to attach a response to any evaluations in their
13 personnel files.

14 C. No evaluations or employee responses will be admissible in any disciplinary or
15 arbitration hearing. When the County references or moves to admit a previously issued non-
16 disciplinary notice of performance/conduct the Union reserves the right to present the
17 employee's responses to those non-disciplinary notices of performance/conduct.

18 D. All performance evaluations shall be signed by the employee's supervisor, who
19 shall bear ultimate responsibility for the content of the evaluation.

20 E. County performance evaluation forms will include a section on individual training
21 and career development.

22 **IV. Organizational Excellence**

23 The parties are committed to the continuation of Labor Management cooperation as
24 represented by the ERC process. To further support this process:

25 **A. Joint Training**

26 Joint training shall be provided on an annual basis to all shop Stewards and
27 representative managers and supervisors on matters related to contract administration and the
28 management of problem employees and teams. The purpose of this training will be to develop
29 mutual understanding of basic processes and roles. Additionally, to support team development
30 and quality initiatives, such training will involve appropriate group process and quality
31 components.

32 **B. Employee Participation and Teams**

1 It is understood that many of the terms of this Agreement are based on an
2 individual rights and obligation model. The parties recognize that employees are increasingly
3 involved in employee participation processes and working in teams. In such instances as issues
4 arise from these processes, which may involve the terms of this Agreement, the parties will
5 meet upon the request of either party to discuss any appropriate action. Mutually agreeable
6 terms of any needed exceptions and understandings shall be in conformance with Article 26,
7 Entire Agreement.

8 **V. Non-Disciplinary Notices Regarding Performance or Conduct**

9 If the County elects to issue a notice to an employee regarding performance or
10 workplace conduct expectations, it shall conform to the following:

11 **A.** The notice should be coaching and counseling and specifically identify what the
12 expectation is and how employees can meet the expectation. Additionally, the supervisor
13 should identify the support that they will provide to the employee.

14 **B.** Generally, supervisors should provide feedback no later than six (6) months
15 following the original notice of whether the employee is meeting the expectations identified in
16 the notice. If a supervisor has not followed-up with an employee within one (1) year of receiving
17 a notice, the employee may assume that they are meeting the expectations identified in the
18 notice.

19 **C.** The notice alone will not be used to block transfers or promotional opportunities.
20 The parties recognize that performance issues may be discussed as a part of a reference check
21 process including the issues referenced in non-disciplinary notices, which may impact their
22 employment opportunities.

2. Test score on the Civil Service Examination, if available, for the job profile; if a tie occurs or if the test scores are not available, then
3. It shall be broken by random selection using a computerized logarithm with a member of Central Human Resources and the Union present when the order is selected.

B. In computing seniority for regular employees, the following factors will be taken into account:

1. Part-time work will count on a full-time basis.
2. Time on authorized leave taken with pay will count.
3. When an authorized leave without pay exceeds thirty (30) days, no time spent on that leave will count except in the following circumstances.
 - a. An unpaid leave is protected by FMLA/OFLA or the Uniformed Service Employment and Reemployment Rights Act (USERRA) shall count.

10. Seniority shall be forfeited by discharge for cause, voluntary termination, or, after layoff, by removal from all recall lists pursuant to "Section IV" of this article.

11. Current rules for calculation of seniority as contained in this article do not alter seniority determinations under prior Local 88 contracts.

C. Job Profile Seniority

1. All continuous, contiguous service on a temporary promotion shall count toward seniority in the immediately previous job profile, except in cases in which the promotion becomes permanent immediately following the temporary appointment; in these cases, the time will be counted toward the job profile to which the employee is promoted.

2. Time spent on a Promotional Trial Service period that is not completed will count toward the employee's previous job profile, if any, unless such Promotional Trial Service period was in a job profile outside the Local 88 bargaining unit, then such time will not count if such period is in excess of six (6) months. Time spent on a Transfer Trial Service period after lateral transfer that is not completed will be counted toward the previous job profile.

3. Time spent in an abolished job profile that has a current equivalent will count toward seniority in the equivalent job profile.

III. Layoff Rules

The County will notify regular employees affected by layoff of the reason for the action and of their reassignment or layoff, according to the provisions of this section.

A. Reassignment of Regular Employees during a Layoff

Layoffs will be identified by job profile within the affected department and County. Employees holding positions that perform functions to be discontinued will be subject to the following in order of seniority:

1. Reassignment to a regular position in the same job profile and within the employee's current department, or if the employee does not have enough seniority, then

2. Reassignment to a regular position County wide, in the following order:

a. Reassignment to a position in the same job profile; or, if the employee does not have enough seniority, then

b. Reassignment to a position in a lower or equivalent job profile previously held, or if the employee does not have enough seniority, then

c. Change of status between full-time, 3-10 and part-time, or if the employee does not have enough seniority, then

3. Reassignment to a limited duration position, in the same order as in Article 21.III.2, above, provided the Union and the County mutually agree to the placement.

1 4. Layoff.

2 **B. Voluntary layoff, bumping, or reduction in hours**

3 1. Lower Bumping Options:

4 An employee may voluntarily choose to take a lower bumping option
5 provided such option is available and does not adversely affect another regular employee who
6 would not have been impacted had the employee bumped in the order specified above, and
7 will not result in increased costs to the County. Such election will be made in writing within
8 three (3) working days and submitted to Central Human Resources. Where more than one
9 option exists, the employee shall list their preference(s) in rank order.

10 2. Reduction in Hours:

11 Any employee in a job profile affected by layoff may request to be
12 reassigned to a vacant position with fewer assigned hours per week if such reassignment would
13 mitigate the impact of the layoff on other employees and does not result in increased costs to
14 the County.

15 3. Voluntary Layoff:

16 Any employee in a job profile affected by layoff may request voluntary
17 layoff if such action does not result in increased costs to the County. When management
18 identifies job profiles to be laid off, management will first in order of seniority, look for volunteers
19 to be laid off. Employees who agree to a voluntary layoff out of seniority order will have no
20 bumping rights and such employee will be placed on a recall list in accordance with this Article.

21 **C. Non-Regular Employees during a Layoff**

22 1. Within an affected job profile and department, temporary, non-regular
23 Initial Trial Service, and other employees who do not have classified status and who are
24 occupying budgeted positions will be terminated before employees with classified status are
25 affected by layoff. Employees without status who are terminated will not be placed on recall
26 lists and do not have bumping rights.

27 2. An employee who has not completed a Promotional Trial Service period
28 following promotion to a classified position and is affected by layoff shall be returned to the
29 position previously held.

30 3. Trial Service employees terminated or demoted in accordance with
31 "Subsection 1" and "Subsection 2" above will be placed on reinstatement lists for one (1) year
32 from the date of their termination or demotion. They may, at the County's discretion, be

reinstated to their former job profile if there are no regular employees who are on a recall list for that job profile. Trial Service employees who are reinstated will be treated as if they have been on a leave of absence for purposes of computing seniority and length of Trial Service period.

D. Layoff Processing for Employees on a Leave of Absence without Pay

1. Employee Notification:

Employees who are on a leave of absence without pay which is scheduled to continue after the layoff effective date and whose job profiles are expected by the County to be affected by an upcoming layoff process will be notified in writing and given an option to return from leave.

2. Use of Positions During the Layoff Process:

If no response is received by the County within five (5) days of written notification, or if the employee declines to return from leave of absence, or if the employee is unable to return from leave of absence, the position from which the employee is on leave of absence will be treated as a vacant position during the layoff process and will be available to be filled by another employee who is affected by the layoff process, according to the provisions of this article.

3. Return from Family Medical Leave Without Pay:

After a layoff process affecting the employee's job profile has occurred, employees who are on Family Medical Leave without pay immediately prior to returning to work will return to the position formerly held, and the employee occupying that position will be reassigned according to seniority pursuant to this article.

4. Return from other Leave Without Pay:

After a layoff process affecting the employee's job profile has occurred, employees not on Family Medical Leave without pay immediately prior to returning to work will be reassigned according to seniority pursuant to this article.

5. Recalculation of Seniority after Leave of Absence Without Pay:

All employees on leave of absence without pay that exceeds thirty (30) days will have their seniority recalculated upon their return from leave so that none of the time on the leave of absence without pay counts toward seniority per "Section II.B.3" of this article.

E. The Bumping Process

Regular status employees who are affected by layoff are reassigned using the rules listed in Article 21.III.A. In addition, the bumping process is administered with the following considerations:

1. Budgeted Positions:

Vacancies that are created and approved by the Board of County Commissioners to be effective the day following the layoff date shall be treated as vacancies available during a layoff process.

2. Reassignment to Vacancies and Employee Preferences:

Reassignment of employees to vacant positions within the employee's current department, if available, will always take precedence over their bumping another employee; where multiple vacancies are available within the employee's current department, the County will take into account the employee's preferences for shift assignment, part-time, 3-10 time, or full-time status, work location, and work assignment to the extent practical prior to reassignment of the employee to a vacancy. An employee who is offered options must indicate a preference within three (3) working days of receipt of notice of the options in order to exercise that option.

3. Bumping Less Senior Employees:

If bumping is necessary, the least senior employee in the affected job profile in the department will be bumped. If there is no employee with less seniority in the job profile in the department, then assignment to a vacant position in the County in the affected job profile, if no vacant position, then the least senior employee in the affected job profile in the County will be bumped.

4. Previously Held Job Profiles:

If there is no employee in the job profile in the County with less seniority then the employee will be bumped to a job profile previously held. If the employee held more than one previous job profile, order shall be to the previous job profile held and so forth. Employee bumping rights includes right to bump into a previous job profile with a higher maximum salary only if the higher salary rate of the previously held job profile is due to a salary adjustment for that job profile resulting from a job profile /compensation study and the employee moved from the job profile as a result of a lateral transfer, promotion or reclass. If an employee bumps to a job profile previously held and did not complete the trial service in the job profile,

employee will be required to complete trial service according to the terms of Article 2, Section XII.

5. Change of Full-Time and Part-Time Status:

a. Full-time employees will be reassigned only to full-time positions, 3-10 time employees will be reassigned only to 3-10 time positions, and part-time employees will be reassigned only to part-time positions, unless reassignment to the other status is the only available option other than layoff.

b. In the event that reassignment to a full-time position is unavailable to a full-time employee, that employee will utilize their reassignment options to 3-10 status positions, and then if unavailable to part-time status positions.

c. In the event the reassignment to a 3-10 time position is unavailable to a 3-10 time employee, that employee will utilize their reassignment options to full-time status positions, and then if unavailable to part-time status positions

d. In the event that reassignment to a part-time position is unavailable to a part-time employee, that employee will utilize their reassignment options to 3-10 status positions, and then if unavailable to full-time status positions.

6. Library Specific Job profiles:

a. An employee being laid off from a Library specific job profile and demoting into a previously held Library specific job profile as a result of a layoff will exercise layoff options based on FTE that is the greater of the two:

- i. The FTE the employee holds at the time of the layoff; or
- ii. The FTE the employee held immediately prior to promoting into their current job profile.

.

7. Job Share Agreements:

a. Employees who are participating in job share agreements at the time the layoff process is being administered will be treated like part-time employees for the purposes of bumping and reassignment.

b. If a part-time employee bumps into a position that has an existing job share agreement, the employee must agree to the terms of the existing job share agreement.

8. Shift Assignment:

Shift assignment will not have an effect on the layoff process.

9. Failure to Accept a Reassignment:

Employees who are reassigned to a position pursuant to these provisions and do not accept that position will be deemed to have resigned.

10. Qualified to Perform the Duties of the Position:

a. Employees may not be reassigned to positions under this article unless qualified to perform the duties of that position. An accurate job description, including any approved special knowledge, skills, or abilities required for the position, must be on file with Central Human Resources prior to issuance of layoff notices. If layoffs are effective at the end of a fiscal year, the County must provide notification of any KSA prior to March 1, except the County may add cultural knowledge KSAs, bilingual KSAs, and a KSA to a position when the position is vacant or there has been a substantial change in job duties necessitating a change in the minimum qualifications for the position. Employees may be denied rights otherwise available under these provisions only if they lack knowledge, skills or abilities required for the position that are not easily learned on the job within ninety (90) days. If an employee is on paid or unpaid leave for more than fourteen (14) consecutive calendar days during the one-hundred twenty (120) day new period, the orientation period will be extended by the amount of the leave. Employees may be required to take and pass qualifying examinations in order to establish their rights to specific positions.

b. In order to facilitate placement and allow management adequate time to determine if an employee is qualified to perform the duties of the new assignment, the parties agree that an employee that elects to use their bumping rights to a position in either the Program Specialist or Program Specialist Senior job profile may be subject to an orientation period of up to six (6) months. In the event that management determines that a six (6) month orientation period is appropriate for a particular position in either of these job profile, it will notify the Union and the employee contemplating reassignment to that position as soon as possible but no later than the official fifteen (15) day notice to the employee described in Article 21.IV.A.

c. When the County determines that knowledge, skills or abilities (KSAs) in addition to minimum qualifications are required for a position, the Union may appoint a Steward or officer familiar with that job profile to participate in discussions about the required KSAs and the content of any qualifying examination used as part of the bumping process. Nothing requires the County to develop an examination at the time the KSAs are approved nor

prevents it from modifying an examination at a later date provided the Union is provided an opportunity to participate in discussions regarding the new or revised exam used during bumping.

11. Request for Leave:

Employees who are reassigned or demoted pursuant to these provisions may request up to three (3) days of leave without pay prior to reporting to their new work assignment, consistent with the County's voluntary furlough program, and subject to approval of the appropriate manager.

12. Freezing of Personnel Actions:

a. To ensure that data about vacancies and employee work assignments are reliable and that bumping options are accurate, upon written notice to the Union, the County HR Director may freeze all personnel transactions as determined appropriate beginning four (4) weeks prior to the date a layoff is implemented and ending the day immediately following the effective date of the layoff.

b. Upon written notice to the Union, a Department Human Resources Manager, may freeze lateral transfers for transfers in an impacted job profile within the department, but no sooner than four (4) weeks prior to the layoff and ending the day immediately following the effective date of the layoff order to place employees impacted by budget reductions into vacancies.

13. Evaluation of Layoff Activities:

The County will regularly evaluate layoff and bumping activities, including giving affected employees an opportunity to provide feedback to improve layoff and bumping processes.

IV. Notice and Recall List

A. Employees who are subject to reassignment, demotion, or layoff pursuant to the provisions of this article shall receive a notice in writing at least fifteen (15) days prior to such action. The notice shall state the reason for the action and shall further state that the action does not reflect discredit on the employee. The Union will be provided a copy of the notice.

1. In the case of mid-year layoffs (those which were not anticipated and considered as part of the budget process), the county shall provide notice in writing at least thirty (30) days prior to such action. If the layoff derives from a reorganization, the county will make an effort to provide greater notice whenever possible.

1 **B.** Employees in limited duration assignments will be placed on recall lists only for
2 job profiles in which they have previously achieved regular status. Limited duration employees
3 who have not previously achieved regular status do not have recall rights.

4 **C.** Employees who are laid off, demoted, or reassigned to a lateral job profile,
5 including Project Save placement as defined in Article 21.IX and/or reassigned between full-
6 time, 3-10 time, and part-time status will be placed on the recall lists, according to seniority.
7 Employees will be placed on all the recall lists that meet the criteria below. (For example,
8 employees who are demoted and reassigned from full-time to part-time will be placed on the
9 recall lists for full-time appointment in the current job profile, for part-time appointment in the
10 higher job profile, and for full-time appointment in the higher job profile):

11 **1.** Employees who are laid off will be placed on the recall list for the job profile
12 held by the employee at the beginning of the layoff process.

13 **2.** Employees who are demoted will be placed on the recall list for all the job
14 profiles held by the employee at the beginning of the layoff process to, but not including, the
15 one the employee demoted to.

16 **3.** Employees who are reassigned to a lateral job profile or to a job profile
17 previously held will be placed on the recall list for the job profile held by the employee at the
18 beginning of the layoff process.

19 **4.** Employees who are reassigned from full-time to 3-10 or part-time will be
20 placed on the list for recall to full-time assignment.

21 **5.** Employees who are reassigned from 3-10 time to full-time or part-time will
22 be placed on the recall list to a 3-10 time assignment.

23 **6.** Employees who are reassigned from part-time or 3-10 time to full-time will
24 be placed on the list for recall to part-time assignment.

25 **D.** Employees who are placed on a recall list pursuant to these provisions will be
26 provided with appropriate information concerning the rights after layoff, and their
27 responsibilities. Information will include, but not be limited to, information concerning the
28 County's rules on reinstatement, and will offer employees the opportunity to provide alternate
29 contact information for recall notice.

30 **E.** Prior to issuing an open competitive recruitment for a vacancy, hiring managers
31 should review any active recall lists and determine if the vacancy should be announced for

1 internal applications first, in order to allow employees on recall lists in other job profiles to have
2 the opportunity to be considered.

3 **F.** Employees who are reassigned to positions in the same job profile, resign, or
4 elect to retire will not be placed on recall lists.

5 **G. Removal from Recall List**

6 Employees will remain on a recall list for twenty-four (24) months from the date
7 of placement on the list. Within that time period, employees will be removed from the recall list
8 only under the following circumstances:

- 9 **1.** Upon written request of the employee; or
- 10 **2.** Upon their retirement; or
- 11 **3.** Upon acceptance of recall from the list; or
- 12 **4.** Upon declining an offer of recall (unless the offer is for a limited duration
13 appointment); or
- 14 **5.** Upon the employee's failure to respond to a certified letter or electronic
15 notice sent to the employee's last known address within seven (7) days of mailing; or
- 16 **6.** Disciplinary termination for cause.

17 **H. Effect of Recall on Seniority**

18 Employees who are laid off and are on recall list(s) and return to regular County employment
19 for any reason will be treated as if they have been on a leave of absence without pay for the
20 purpose of computing seniority.

21 **V. Recall**

22 **A.** Employees on a recall list will be certified in order of seniority, before applicants
23 who qualify through examination, provided they are qualified to perform the duties of the
24 position. Employees on a recall list shall be offered appointment to vacancies, in order of
25 seniority, except when they lack knowledge, skills or abilities required for the position that are
26 not easily learned on the job within ninety (90) days.

27 **B.** Employees may be required to take and pass qualifying examinations in order to
28 establish their rights to specific positions. The hiring manager is required to state in writing what
29 qualification(s) the employee lacks that the position requires. The employee will remain on the
30 recall list for certification to other vacancies during their term of eligibility.

C. Failure to recall an employee, except as provided above, will be deemed a dismissal of that employee for cause, and will be reviewed and processed according to the provisions of Article 17, Disciplinary Action.

VI. Seniority Application

A. The above terms for determination of seniority shall apply not only to the layoff process, but also to other situations in which seniority is applied, including total service for the purpose of vacation accrual rates.

B. Seniority determinations shall have no application to retirement matters.

C. The County agrees to make available to the Union upon request copies of any personnel list the County maintains regarding seniority or job profile changes.

VII. Posting Process

A. Seniority List Posting

Lists showing seniority within the County and seniority within job profile shall be provided to the Union, posted electronically, and posted on Union bulletin boards in work units where employees do not have readily available computer access, on or about March 1st of each year or anytime an employee or employees are notified that their position(s) is being eliminated. Employees may request a copy of the seniority list from their department human resources unit at any time.

B. Seniority List Appeals

1. Employees who have concerns about the calculation of their seniority shall notify Central Human Resources with a copy to the Union. If an employee's concerns remain unresolved, the Union may file a formal written grievance at Step 3 of the grievance procedure within thirty (30) days of the employee's initial consultation with Central Human Resources. If no grievance is filed within the thirty (30) days, the seniority calculation is deemed correct and no grievances may be filed on that issue at a later date. If a Step 3 grievance is filed, and Central Human Resources denies the grievance by upholding the seniority calculation, the Union may exercise its' right to move the issue to arbitration in accordance with Article 18, Section III. If the Union chooses to not move the issue to arbitration by making such a request within fifteen (15) days of the Step 3 response, the seniority calculation will be deemed correct and no grievances may be filed on the issue again in the future.

2. Employees may only file grievances over seniority calculations that have been accrued since the effective date of the previous contract. (For example, in the 2022-2025

contract, employees may only file grievances over seniority that has been accrued since the July 1, 2022, which is the effective date of the contract.)

3. Seniority dates will be frozen during the bumping/layoff process consistent with the release of the Chair's Executive Budget.

4. When a seniority date is changed due to a grievance, the affected employees and the Union shall receive written notification of the new seniority ranking for the affected job profile.

VIII. Seniority of and Bumping by Non-Bargaining Unit Employees and Other Bargaining Units

Except as returning to a previously held job profile failing a Promotional Trial Service period, non-bargaining unit employees (non-represented or a member of another bargaining unit) may not bump or deny a bump option to current regular status Local 88 bargaining unit members even if the non-bargaining unit employee has greater length of County employment or greater length of service in the bargaining unit.

IX. Special Provisions to Save Employees from Layoff - Project Save

It is recognized by the parties that employees who are to be laid off or involuntarily demoted because of their seniority within a job profile within a department face difficult circumstances in being placed in alternative employment within the County. Any such employee who is placed in a job profile not previously held shall be subject to a trial service period of one-hundred twenty (120) days to demonstrate the employee's ability to perform or fulfill the requirements of the new job profile. Employees who refuse an offer to be placed in alternative employment will not be deemed to have waived their bumping rights or right to placement on the recall list. Employees who, in the opinion of the County, are unsuccessful during this one-hundred twenty (120) day trial service period will be removed from their new job profile and placed on the appropriate recall list. Such employees shall continue to be eligible for placement under the provisions of this section as long as alternative employment opportunities are being explored by management for affected employees. An employee reassigned to another position via Project Save, shall have recall rights in accordance with Article 21.IV and V.

X. Limited Duration Employees and Project Save

1 The Union and the County will continue to adhere to their Memorandum of Agreement
2 signed on August 24, 2021 concerning ARPA funded Limited Duration employees. A Limited
3 Duration employee not covered by that Memorandum of Agreement who has not obtained
4 regular status and is laid off after or during the term of their appointment shall have the right to
5 apply for Project Save placement as described in Article 21.IX

ARTICLE 22**SHIFT AND WORK ASSIGNMENT****I. Vacancy**

A vacancy shall exist when:

A. The employee assigned to a budgeted position abandons such position because of transfer, promotion, or demotion to another position or County agency; or upon voluntary or involuntary termination of County employment;

B. Additional budgeted positions are allocated;

C. Workload requirements necessitate reallocation of duties for a period in excess of ninety (90) days, as, for example, a training assignment or assignment to another unit with a workload issue;

D. When an employee is on unpaid leave that will exceed ninety (90) days.

II. Temporary and Short Term Work Assignments**A. Ninety Days or Less (Short Term Assignments) and Employee Rotation Plans**

Work assignments and employee rotation plans of ninety (90) days or less shall be solely at the discretion of management. Following such a short term assignment, the employee will be returned to their regular assignment.

To further employee development or motivation, the County may rotate employees in the same job profile between job assignments within a work unit or between work units, subject to the following limitations:

1. Any such rotation plan shall be posted ten (10) days in advance with a copy provided to the Union.

2. The terms and criteria of the rotation plan shall apply to all employees in the affected job profile within a work unit or work units.

B. Six Months or Less (Temporary Assignments)

If the work assignment is for more than ninety (90) days, but no longer than six (6) months, it shall be deemed a temporary assignment, and shall be filled in the following manner:

1. Management will provide employees a notice of the assignment, the person to contact, and the deadline for consideration.

2. The assignment may be made on the basis of seniority, expressions of preference or by other job related criteria established by management.

3. Following such a temporary assignment, the employee will be returned to their regular assignment.

III. Regular Shift/Work Assignment

A regular vacancy is a vacancy determined by management to be for a duration of over six (6) months. Whenever there is more than one (1) shift or work assignment within the same job profile within a work unit, regular vacancies shall be filled in the following manner:

ADDENDUM B**LEAD WORKER ASSIGNMENT AND PAY****I. Duties Defined**

A Lead Worker assignment involves certain limited oversight and administrative duties which are deemed not to warrant a separate job profile. These duties include, but are not limited to: laying out the work for other employees, balancing the work, directing the work, reviewing the work and employee conduct for adherence to standards and rules, and making such reports as may be required to supervisory employees. Lead Workers shall spend a substantial portion of their time (fifty percent (50%) or more) in performing the duties of the base job profile. Normally, the employees directed by a Lead Worker are in the same job profile, but additional job profiles are sometimes involved. An employee assigned to be a Lead Worker will not impose or effectively recommend (as that term is intended in Oregon law) formal discipline, i.e. a letter of reprimand or above. Lead Workers shall not issue oral reprimands. Lead Workers shall not be present when discipline is issued. Lead Workers shall not prepare or issue performance evaluations and any involvement of Lead Workers in performance evaluation shall conform to the restrictions of Article 20, "Section III.D".

II. Assignment, Selection, Modification, and Termination

A. Assignment and selection of Lead Workers shall be at the sole discretion of the County. Lead worker assignments for over sixty (60) continuous days will be posted in the affected work unit for no less than five (5) work days. Lead Worker assignments shall be posted every three (3) years at a minimum. Employees in the work unit interested in the lead worker assignment shall submit a letter of interest to the unit manager and will be considered for the assignment.

B. An employee assigned as a Lead Worker for one (1) year or more shall be given ten (10) days' notice prior to the termination of such an assignment. A copy of the termination notice will be simultaneously given to the Union. Significant modifications of Lead Worker duties deemed by the County to warrant a modification in the amount of compensation shall also be with ten (10) days' notice, with notice to the union of such change. All lead worker assignments will be reviewed for continuation at least annually.

III. Pay

When in the judgment of the County:

1 **A.** A new Lead Worker assignment is necessary; or

2 **B.** A substantial modification of an existing Lead Worker assignment warrants a
3 change in compensation, Central Human Resources shall establish a lead pay rate for the new
4 or substantially modified assignment. The current pay rates for the job profiles eligible for the
5 Lead Worker premium shall be calculated by increasing the base hourly pay rates by the
6 approved percentages.

New employees and employees who are not at the time of hire required to possess a CDL, but who are at any time thereafter required as a condition of employment in that job profile (or in their regular assignment within that job profile) to initially obtain a CDL, shall be subject to the following terms:

A. License Fees and Expiration

The employee shall be obligated to pay the cost of the required license and for renewals.

B. Written Examination

The employee shall be obligated to pay the cost of each written exam required to obtain the required license. However, the employee will be permitted during regularly scheduled work hours, without loss of pay, to take the first exam of each type needed to obtain the required license. The County will determine the specific date(s) and time(s) for any such exam(s) following consultation with the affected employee(s).

C. Skill (hands-on) Examination

The County will reimburse the employee for the cost of one (1) passed skill examination up to a maximum of one hundred dollars (\$100) if the employee submits proof of payment and the new license to their immediate supervisor for verification within ten (10) days following receipt of the license. At a date(s) and time(s) scheduled by the County, following consultation with the affected employee(s), the County or its representative will deliver to the Multnomah County, Oregon, or Clark County, Washington, site designated by the applicable state's Division of Motor Vehicles, equipment necessary for the taking of the skill examination for the required license.

D. Physical Exams

If the County selects the physicians giving the physical exam required for obtaining or maintaining the required license, the County will pay for the examination. The

1 employee shall determine whether the employee or the County will select the physician and
2 shall inform the immediate supervisor in advance of the exam of their decision.

3 **E. Drug and Alcohol Testing**

4 Employees who are hired or transferred to a position that requires a CDL must
5 submit to a drug or alcohol test prior to performing any safety-sensitive functions and on a
6 random basis thereafter. Only after a negative drug or alcohol test has been received may an
7 employee begin to perform safety-sensitive functions.

8 **F. Failure to Obtain or Maintain the Required License(s)**

9 Employees who fail to obtain or maintain in a current valid status the required
10 commercial driver's license shall be subject to disciplinary action or dismissal in accordance
11 with applicable provisions of the collective bargaining agreement.

12 **G. Status of License**

13 The employee shall make the immediate supervisor aware in writing of the
14 expiration of a driver's license(s) required by the County, and of any event actually or potentially
15 affecting the status of that license (e.g., traffic citation, drunken driving arrest, license
16 suspension or revocation, failure to pass the required medical examination, or expiration of the
17 required medical card, etc.). Such notice shall be given to the supervisor immediately upon
18 expiration of the license or occurrence of the event.

20 The Division Manager of employees in a job profile in which one (1) or more
21 employees are required to possess a commercial driver's license of a particular class may
22 exempt one (1) or more subordinate employees from the requirement that the license be
23 obtained. However, such exemption may be rescinded if, in the employer's judgment, the
24 employee's acquisition and maintenance of such a license is or will be needed to meet
25 operational needs. An employee whose exemption is rescinded shall be given a reasonable
26 period of not less than ninety (90) days in which to obtain their license.

13 tire loaders less than two (2) cubic yards) will receive premium pay at the rate of fifty cents
14 (\$0.50) per hour.

15 **6. Tractor Mounted Roadside Mower**

16 Maintenance Workers assigned to operate a tractor mounted roadside mower will receive
17 premium pay at the rate of fifty cents (\$0.50) per hour.

ADDENDUM D**EMERGENCY CONDITIONS PROVISIONS****(Department of Community Services and Department of County Assets)****I. Purpose**

The purpose of this addendum is to set forth practice governing wage entitlements during periods of emergency for designated employees in Animal Services, Bridge Maintenance and Operations, Road Maintenance and Fleet Sections.

II. Agreement

A. An emergency is defined as inclement weather or other condition, which in the judgment of the Director of Community Services or Director of County Assets constitutes a present or imminent danger to the health, safety, or property of the people of Multnomah County.

B. During the term of such an emergency, the "work day" for pay purposes shall be the calendar day (midnight to midnight); however, the Department will not schedule shifts overlapping calendar days for the purpose of avoiding overtime pay.

C. An employee sent home during the work day, regardless of whether or not the employee is recalled, shall receive a minimum of eight (8) hours of pay for that work day.

D. The total number of hours worked during the work day, regardless of how divided, shall be added to determine the total number of hours worked for pay purposes during the work day.

E. All hours worked in excess of the employee's regular scheduled hours for the day shall be compensated at the overtime rate of pay. For example, an employee regularly scheduled to work a 4-10 schedule will receive overtime after ten (10) hours in the workday. However, on the first (1st) day of the emergency, any employee sent home and called back within the same work day shall receive an additional two (2) hours of overtime pay in addition to the compensation as computed and paid as the paragraph above.

F. All hours worked during swing and graveyard shifts shall be paid at the contractually required shift differential.

G. In recognition of the difficult conditions required during Addendum D emergencies and the willingness to provide substantial flexibility in directing and scheduling work, employees shall receive a twenty percent (20%) premium for all hours worked during the term of the

1 emergency (will not stack with essential worker premium). Otherwise employees will continue
2 to receive compensation based on their schedule prior to the declaration of emergency. For
3 example, and not to limit the interpretation of this provision, a 4-10 employee regularly
4 scheduled to work Monday through Thursday will receive overtime after ten hours of work in a
5 work Monday through Thursday, will receive double time pay for work on Saturdays and
6 Sundays, and will receive holiday premium and holiday leave for ten (10) hours when working
7 on an observed holiday. With the exception of premium pay required for "Schedule Changes"
8 identified in Article 14.III.A. all other terms of the Collective Bargaining Agreement will remain
9 unchanged.

10 H. While employees are expected to make reasonable efforts to perform the duties
11 of their job during a declared emergency, the County will also make reasonable efforts to
12 accommodate impacted employee requests for leave.

13 I. Employees will not be required to perform an assignment for which they have not
14 been adequately trained and which poses a hazard to the employee's safety and welfare.

ADDENDUM E**AUTO REIMBURSEMENTS AND TRANSIT SUBSIDIES****I. Auto Allowance****A. Payment**

Payment for mileage under this addendum shall be made on a monthly basis, provided the employee has accumulated twenty dollars (\$20) of mileage. No commuting mileage shall be paid by the County under the terms of "Section B" through "Section D" below. In no event will payment be made later than the end of the fiscal year.

B. Incidental Use

An employee who does not drive an automobile as a condition of employment shall be reimbursed at the maximum rate per mile approved by the IRS as a nontaxable expense reimbursement without documentation (which will hereinafter be referred to as "the IRS rate") for miles driven at the requirement of the County.

C. Condition of Employment Use**1. Designation**

The County reserves the right under Article 4, Management Rights, to determine the method of transportation for employees during working hours and may discontinue or add the requirement for employees occupying certain positions to utilize an automobile as a condition of employment provided the employees and Union are notified in writing ten (10) days in advance of the change.

2. Payment

Upon signing of this Agreement an employee who is required to use their personal automobile as a condition of employment shall be paid at the IRS rate and shall also receive a base reimbursement of fifty dollars (\$50.00) per month, twenty-five dollars (\$25.00) per month for part-time employees. To qualify for this reimbursement employees must be assigned to work in the field and to use their personal transportation. In no event, however, shall the aforementioned base payment be made in a month in which an employee drives no miles as a condition of employment.

D. Payment Rules for Alterations in Work Site**1. Temporary reporting place**

All employees are designated a county building as their “regular place of reporting” for purposes of mileage reimbursement, even if they are teleworkers. An employee’s mileage and compensation for travel is determined by their assigned “regular place of reporting.” Whenever an employee is temporarily required to report to work at any location more distant from their home than the employee’s regular place of reporting, the employee shall be paid for the use of their personal transportation at the rate provided in “Section B” or “Section C” above as appropriate for additional miles traveled. This provision will not apply when there is a regular change in reporting location as determined by management with ten (10) days written notice to the affected employees and the Union.

2. Secondary reporting place

Whenever an employee reports to their regular place of reporting and is required to use their personal transportation to report for work at another location, the employee shall be paid for the additional miles traveled to and from the secondary reporting place in accordance with “Section B” or “Section C” above as appropriate. The time involved in traveling from the regular reporting place to and from the secondary reporting place to the regular reporting place shall be considered time worked for pay purposes.

II. Incidental Parking

Subject to procedural regulation or supervisory direction as to time, place and circumstances of use, when employees on a non-commuter basis are required to use their automobile for driving into downtown Portland or elsewhere where parking is charged, employees shall be reimbursed for such parking charges.

III. Tri-Met Pass

A. Statement of Purpose

For the purposes of encouraging employees to use mass transit as part of the County’s ride reduction program under the Oregon Department of Environmental Quality (DEQ)’s Employee Commute Options (ECO) mandate, as well as part of the County’s commitment to limiting traffic congestion and promoting clean air, effective October, 2001, each employee shall be eligible to receive a Tri-Met pass entirely subsidized by the County for the employee’s personal use while employed by the County. Employees’ pass will be inactivated upon their termination of County employment.

B. Scope of Subsidy

1 1. The County will provide a 100% subsidy for employee bus passes.
2 However, the County may require that the employee pay a percentage if the County's subsidy
3 exceeds the IRS standard for a de minimis employee benefit. It will be the employee's
4 responsibility to obtain the necessary pass from the Employee Benefits Office. Instructions for
5 obtaining the pass are available on the Benefits new employee page and through Workday.

6 2. This program is offered only through Tri-Met. However C-Tran will honor
7 the Tri-Met all zone pass, except for express routes.

8 **C. Procedural Requirements**

9 The procedural requirements for obtaining the pass and verification that the pass
10 has been used solely by the employee shall be the same as apply to managerial employees.
11 Such requirements may change from time to time to ensure efficient and effective
12 implementation of the program.

II. Other Holiday Exceptions

A. The terms of Article 7 shall apply except as noted above and as follows: During the week of a holiday, the County shall permit part-time employees an opportunity for modification of their work schedule in order to receive a normal pay check, including pro-rated holiday pay, without having to use vacation time or other earned leave.

1
2 **B. The terms of Article 13 shall apply except:**

3 **1. Section III.A.1.a. and b. Work Days and Days Off**

4 The provisions of this section shall apply subject to management approval with
5 the modification that employees working forty (40) hours per week 5/8, 4/10 or 9/80 schedules
6 are not guaranteed two (2) consecutive days off per week but rather will have work schedules
7 which are designed so that all employees shall have at least two (2) consecutive days off in
8 each two (2) week period. Employees may waive this right by written request to the supervisor
9 with a copy provided to the Union.

10 **2.** The provisions of Section III.A.2 shall not apply.

11 **C. Article 14. Compensation**

12 **1.** To the extent permitted by law, the provisions of Article 14 1.G.2. shall
13 remain in effect for the life of this contract term (2022-2025) in the event Library employees are
14 transferred into an independent Library District pursuant to intergovernmental agreement.

15 **2.** The terms of this article shall apply except:

16 **a. Shift Differential**

17 Payment of shift differential as provided by "Section V" shall not
18 apply. However, the Library acknowledges that work hours past six (6:00) p.m. may require
19 sacrifice on the part of employees. The Library will pay an hourly premium of one dollar (\$1.00)
20 for all hours worked after six (6:00) p.m. until close of business.

21 Shift differential shall be subject to rounding to the nearest quarter
22 of an hour in accordance with the rounding provisions of Article 13, "Section VII.(A)". Shift
23 differential for time worked after 6:00 p.m. will not be paid unless the employee works until 6:08
24 p.m., at which point the employee will be paid shift differential for one quarter (1/4) hour.
25 Similarly, an employee whose shift normally ends at 8:05 p.m. will receive two hours of shift
26 differential for the time between 6:00 p.m. and 8:00 p.m. but will not receive shift differential
27 pay for time worked after 8:00 p.m. unless the employee works until 8:08 p.m., at which time
28 the employee will be paid an additional one quarter (1/4) hour of shift differential.

29 **D. Article 15. Job profile and Pay Ranges**

30 The terms of this article shall apply except:

31 **1. Librarian or Library Assistant performing limited oversight duties**

It is recognized that in those branch libraries without both a supervisor and/or administrator/manager a Librarian or Library Assistant may, in the absence of the supervisor, perform such limited oversight tasks as approving leaves of absence and overtime, coaching employees, documenting performance and handling worker's compensation incidents, coordinating the recruiting process, responding to facility emergencies and serving as the contact person for administrative staff. When the period of performance of such limited oversight duties is forty (40) hours or more, an employee in the Librarian job profile shall be paid a five percent (5%) work out of class differential; an employee in the Library Assistant job profile shall be paid according to the provisions of Article 15, Section III A.

2. Employees Substituting in Lower Job profiles

Employees who voluntarily substitute in a lower job profile shall be paid for such time at the top step of the lower salary range unless there is an overlap between the employee's salary range and the lower salary range, in which case the employee would receive their regular rate of pay.

E. Article 22, Shift and Work Assignment

The terms of this article shall apply except:

1. Section III Permanent Shift/Work Assignment

For the purposes of bidding on shift assignments, employees may only bid on shifts that are the same number of hours as their current schedule (i.e. 20-hour employees may only bid on 20-hour shifts, 30-hour employees may only bid on 30-hour shifts, and 40-hour employees may only bid on 40-hour shifts). This restriction does not apply to vacancies/work assignments. Employees may bid on vacancies/work assignments that have more or less hours than their current schedule.

2. Section V. Trial Service Periods

For part-time employees, the one-hundred and twenty (120) day trial service period may be extended sixty (60) additional days by mutual agreement of both parties.

F. Addendum B. Library Person in Charge (PIC) Assignment and Premium Pay

The terms of this addendum shall apply except:

1. It is recognized that the Library may have need for Person in Charge (PIC) assignments which are deemed not to warrant a separate job profile or work out of class pay. Staff who accept these assignments will do so on an "Opt-in" basis, meaning the employee voluntarily accepts such assignment and its responsibilities. No employee can be required to

1 serve in such assignment without their agreement, and may opt out at any point by
2 communicating to Library management. A PIC's primary duty is to respond to patron incidents
3 that disrupt library operations. An employee trained as a PIC shall be paid a ten percent (10%)
4 differential for all time worked as a PIC.

5 **2.** If the employee's base job profile has a lower pay grade than step 1 of the
6 assigned grade for the Library Assistant job profile, then the employee will be paid at step 1 of
7 the Library Assistant grade first, and then the PIC differential (10%) will be added.

8
9 **3.** The parties will continue to negotiate terms and conditions related to PIC
10 responsibilities and assignments at impacted library branches not covered by the Central
11 Library MOA.

ADDENDUM G**DEPARTMENT OF COMMUNITY JUSTICE****I. Scheduling**

A. Any employee of the Department of Community Justice, upon request and approval of their supervisors, shall establish a work schedule that is approved by their supervisors and that is responsive to the demands of their job. Such schedule shall be limited to a forty (40) hour work week.

If the work week is within the forty (40) hour cap, all hours worked shall be at the flat rate, on an hour for hour basis, regardless of the starting time, day worked, or length of the work day. Split work weeks, varied starting and ending time for shifts, and split shifts shall be permitted.

B. Variations of the established work schedule shall be approved by the supervisor.

C. Employees receiving "after hours work calls" may respond. If responding to after-hours calls, employees will "adjust" their work schedule, hour for hour, within the forty (40) hour work week with the approval of their supervisors.

II. Shift Bidding for 24-hour, Seven-Day Operations**A. Annual Bidding**

Annual shift bidding shall take place in November of every year and the new schedule shall be implemented in the following January. All shifts will be open to bidding and posted as forty (40) hour shifts. The order of bidding shall be based on seniority within the job profile. If two employees are approved by management to job share, they may choose which of their respective positions they wish to split. The resulting vacant position shall then be available to be bid on by other employees.

B. Vacancies Following Annual Shift Bid

Any vacancy within the unit of more than ninety (90) days that occurs subsequent to the annual shift bid shall be posted in the unit. The vacant position shall be filled by the most senior employee of those who express interest. The position vacated by that employee will then be posted within the unit and the process will be repeated. This process will be repeated one (1) more time for a total of three (3) postings. The remaining vacant position will be filled by a lateral transfer or new hire for the remainder of the bid year.

1
2 **III. Vacation Requests for 24-hour, Seven-day Operations**

3 **A.** For work units that operate on a twenty-four (24)-hour, seven (7)-day schedule,
4 vacation requests for the upcoming calendar year may be submitted at the time of the
5 November shift bid. Management shall grant or deny these initial requests by December 31 of
6 the current year. If two (2) or more vacation requests are submitted for the same days and
7 times, the employee with the most seniority shall be granted the request. Each employee will
8 be allowed to exercise the right of seniority for one (1) of their vacation bid requests in a
9 calendar year. Pending supervisor approval, the remaining requests may be granted if
10 coverage can be found.

11 **B.** All subsequent requests shall be considered on a “first come, first served” basis;
12 if two (2) or more vacation requests are submitted for the same days and times, preference will
13 be given to the request that was submitted first, as verified by a date stamp. If two (2) or more
14 requests are submitted at the same date and time, the more senior employee’s vacation
15 request will be granted. Each employee will be allowed to exercise the right of seniority for one
16 (1) of their “first come, first served” vacation requests in a calendar year. Employees shall
17 submit requests as early as possible, and no later than two (2) weeks before the first (1st) day
18 of the requested leave. Both parties agree that minimal staffing of all shifts must be maintained.

19 **IV. Holidays**

20 Because of the complexity of scheduling, and the participatory scheduling process
21 involved for certain employees of the Department of Community Justice, any employee who is
22 offered a holiday off on an observed holiday but chooses to self-schedule themselves on that
23 day shall be granted a personal holiday in lieu of any other holiday observance or pay. This
24 personal holiday shall be used within the fiscal year but in no event more than four (4) months
25 from the date of the holiday.

26 **V. Community Works Leader**

27 Employees assigned as Community Works Leaders shall be reimbursed up to three-
28 hundred and fifty dollars (\$350) per fiscal year for work boots, daypacks, and/or rain gear as
29 follows:

30 **A.** Work boots must meet Forest Service standards. Employees may have their old
31 boots resoled instead of buying a new pair. The same maximum reimbursement standard

1 applies. Staff who choose to not purchase their own work boots may use client boots from the
2 Department of Community Justice.

3 **B.** Daypacks must be capable of carrying the necessary safety items for daily work
4 crews. Staff who choose not to purchase their daypacks may use one of the Department of
5 Community Justice's daypacks.

6 **C.** Staff who choose to not purchase their own rain gear may use County issued rain
7 gear from the Department of Community Justice.

8 **D.** In order to qualify for reimbursement, employees must average thirty percent
9 (30%) time in the field with crews. Reimbursed equipment shall be considered property of the
10 County. Employees leaving County employment may purchase their boots at a pro-rated cost.

11 **VI. Recognizance Unit**

12 Determining the first (1st), second (2nd) and third (3rd) days of rest for purposes of
13 overtime and double time shall be in conformance with the Memorandum of Exception
14 executed by the parties on September 20, 2012 and shall be incorporated herein by reference.

ADDENDUM H
DRUG AND ALCOHOL POLICY

I. Drug Free Workplace Act

Multnomah County, in keeping with the provisions of the federal Drug Free Workplace Act of 1988, is committed to establishing and maintaining a work place, which is free of alcohol and drugs and free of the effects of prohibited alcohol and drug use.

II. Statement of Principle and Notice of Policy

A. The County and the Union jointly recognize that alcohol and drug use by an employee which adversely affects job performance may constitute a serious threat to the health and safety of the public, the employee, and coworkers.

B. The County recognizes that employees are the organization's most valuable resource and is committed to supporting their safety, health, and well-being. Substance Use Disorder (SUD) is recognized as an illness that can be abated through drug screening, education, treatment, and rehabilitation. To that end, employees struggling with drug or alcohol use are encouraged to seek professional assistance and/or County-provided resources (e.g., EAP). All requests for assistance and the results of treatment and counseling shall be kept confidential as reasonably possible.

C. The County is committed to maintaining effective communication in regards to the application of this article's provisions. As such, the County will convene a labor management committee on an annual basis upon request, to discuss any questions or concerns that may arise during the term of this contract. The terms of this article shall remain active during such discussion and this section does not constitute a reopener.

III. Holders of Commercial Drivers Licenses

While references to rules governing holders of Commercial Drivers Licenses (CDL's) are included below, they are not comprehensive. CDL holders are responsible for complying with all laws, work rules, or County procedures pertaining to them, in addition to the requirements of this addendum.

IV. Alcohol and Drug Policy Work Rules and Discipline

A. Conduct Warranting Discipline

1 1. While on duty, on County premises, or operating County vehicles
 2 employees shall obey the work rules listed in "Section B" below. As with all work rules,
 3 violations may result in discipline per the provisions of Article 17, Disciplinary Action.

4 2. Employees will not be subject to discipline or removal from the On-call
 5 and/or Temporary employee lists for seeking treatment for alcohol or drug dependency.
 6 However, employees will be held fully accountable for their behavior. Seeking treatment will
 7 not mitigate discipline for rule violations or other unacceptable conduct caused by such
 8 dependency.

9 **B. Work Rules**

10 1. **Possession, consumption, solicitation and distribution of alcohol**
 11 **and drugs while on duty:**

12 Employees shall:

13 a. Not possess, consume, manufacture, solicit or distribute, cause to
 14 be brought, dispense, or sell alcohol or alcohol containers in or to the work place except when
 15 lawfully required as part of the job. An exception will be sealed alcohol containers for gift
 16 purposes; managers must be notified when such containers are brought to the work place. The
 17 "work place" includes vehicles parked on County property.

18 b. Not possess, consume, manufacture, solicit or distribute, cause to
 19 be brought, dispense, or sell illegal drugs or drug paraphernalia, in or to the work place except
 20 when lawfully required as part of the job.

21 c. Not solicit, distribute, dispense or sell prescription medications
 22 except when lawfully required as part of the job.

23 d. Not possess or consume prescription medications without a valid
 24 prescription.

25 2. **Possession, consumption, solicitation and distribution of alcohol**
 26 **and drugs while off duty on County premises:**

27 Employees shall:

28 a. Not use, possess, solicit or distribute illegal drugs.

29 b. Not use or distribute alcohol without authorization.

30 3. **Fitness for duty:**

31 Employees shall:

1 a. Not report for duty while “under the influence” of alcohol or drugs.

2 An individual is considered to be “under the influence” of alcohol if a breathalyzer test indicates
3 the presence of alcohol at or above the .04% level. An individual is considered to be “under the
4 influence” of drugs when testing indicates the presence of controlled substances at or above
5 the levels applying to CDL holders.

6 b. Not render themselves unfit to fully perform work duties because of
7 the use of alcohol or illegal drugs, or because of the inappropriate use of prescription or non-
8 prescription medications.

9 c. Comply with legally mandated occupational requirements, whether
10 or not they are specifically included in this policy. For example, by law, holders of CDL’s may
11 not perform safety sensitive functions, such as driving, at or above the .02% level.

12 d. Not be absent from work because of the use of alcohol or illegal
13 drugs, or because of the inappropriate use of prescription or non-prescription medications,
14 except when absent to participate in a bona fide assessment and rehabilitation program while
15 on FMLA and/or OFLA leave.

16 e. Inform themselves of the effects of any prescription or non-
17 prescription medications by obtaining information from health care providers, pharmacists,
18 medication packages and brochures, or other authoritative sources in advance of performing
19 work duties.

20 f. Notify their manager in advance when their use of prescription or
21 non-prescription medications may impair the employee’s ability to perform the essential
22 functions of their position that will result in a direct threat to others. Such employees include,
23 but are not limited to, sworn officers, holders of a CDL, and those handling hazardous
24 equipment or materials. Employees who drive a motor vehicle as part of their job, whether a
25 County vehicle or their personal vehicle, should report when they are taking any medication
26 that may impair their ability to drive.

27 **4. Cooperation with Policy Administration:**

28 Employees shall:

29 a. Not interfere with the administration of this Drug and Alcohol Policy.

30 Examples include, but are not limited to, the following: tainting, tampering, or substitution of
31 urine samples; falsifying information regarding the use of prescribed medications or controlled

substances; or failure to cooperate with any tests outlined in this policy to determine the presence of drugs or alcohol.

b. Provide to Human Resources within twenty-four (24) hours of request a current, valid prescription in the employee's name for any drug or medication which the employee alleges gave rise to reasonable suspicion of being under the influence of alcohol or drugs.

c. Respond fully and accurately to inquiries from the County's Medical Review Officer (MRO); authorize MRO contact with treating health care providers upon request.

d. Complete any assessments or treatment programs required under this Policy.

e. Sign a waiver upon request authorizing treatment providers to disclose confidential information necessary to verify successful completion of any assessment or treatment program required under this Policy.

f. Disclose promptly (upon the next working day) and fully to their manager:

i. All drug or alcohol related arrests, citations, convictions, guilty pleas, no contest pleas or diversions which resulted from conduct which occurred while the employee was on duty, on County property, or in a County vehicle; or

ii. Any other violation of laws regulating use of alcohol and controlled substances which adversely affects an employee's ability to perform major job functions, specifically to include loss or limitation of driving privileges when the employee's job is identified as requiring a valid license.

C. Levels of Discipline

1. The level of discipline imposed on regular status employees for violation of the Alcohol and Drug Policy Work Rules above or other violations resulting from the use of alcohol or drugs will be according to the provisions of Article 17, Disciplinary Action.

2. Employees will be held fully accountable for their behavior. Use of alcohol or drugs, or alcohol or drug dependency, will not mitigate the discipline imposed for rule violations, misconduct, or poor performance except as specifically provided in the section on last chance agreements below.

1 **3.** The Parties acknowledge that, all other things being equal, certain duties
2 imply a higher standard of accountability for compliance with the requirements of this policy
3 than others. These duties include, but are not limited to, the following:

- 4 **a.** carrying firearms
- 5 **b.** work in the criminal justice system
- 6 **c.** responsibility for public safety or the safety of co-workers
- 7 **d.** handling narcotics or other controlled substances
- 8 **e.** handling hazardous equipment or materials
- 9 **f.** influencing the behavior of minors
- 10 **g.** holding a CDL

11 **4.** In instances in which the County determines that an employee's conduct
12 warrants termination, the County may offer the employee continued employment under the
13 terms of a Last Chance Agreement if there are mitigating circumstances, such as a Substance
14 Use Disorder or other good cause. An example of a Last Chance Agreement is included as an
15 attachment to this Addendum.

16 **a.** Any Last Chance Agreement will include but not be limited to, the
17 following:

- 18 **i.** the requirement that the employee enroll, participate in, and
19 successfully complete a treatment program as recommended by the Substance Abuse
20 Professional;
- 21 **ii.** the right for the County to administer any number of
22 unannounced follow up drug or alcohol tests at any time during the work day for a period of two
23 (2) years from completion of any required treatment or education program;
- 24 **iii.** the signatures of the employee's manager, the employee,
25 and the employee's Union representative.

26 **b.** The offer of a Last Chance Agreement will not set precedent for the
27 discipline of other employees in the future. Any discipline incorporated in a Last Chance
28 Agreement may not be grieved under the provisions of Article 18, Grievance Procedure.

29 **D. Mandatory Assessment and Treatment**

30 **1.** Employees who are disciplined for conduct which is related to the use of
31 alcohol or drugs may be required to undergo assessment and to complete a program of
32 education and/or treatment prescribed by a Substance Abuse Professional selected by the

County. Employees who test positive for alcohol or controlled substances may be required to undergo assessment at management's discretion, regardless of whether disciplinary action has been taken or a Last Chance Agreement entered into.

2. The County will verify employees' attendance, and that the assessment and treatment have been completed. This verification and any other information concerning alcohol and drug dependency will be treated as confidential medical information per applicable state and federal law and County Administrative Procedures.

3. Policy on the use of leave for assessment and treatment will be the same as for any other illness.

E. Return to Work Testing

Employees who test positive for being "under the influence" of drugs will be required to test negative before returning to work. (Note that Federal law requires CDL holders performing safety sensitive functions to undergo return to work testing after a positive alcohol or drug test.)

V. Testing

A. Basis for Testing:

1. All employees may be tested:

a. Where objective and specific facts and observations have been identified by a manager that has successfully completed the County's drug and alcohol training for supervisors and managers to establish reasonable suspicion of being "under the influence" of alcohol or prohibited drugs ;

b. before returning to work after testing positive for being "under the influence" of alcohol or drugs;

c. as part of a program of unannounced follow-up testing provided for in a Last Chance Agreement.

2. An employee applying for a different County position will be subject to testing on the same basis, and using the same procedures and methods, as outside applicants.

3. Consistent with Federal law, employees in safety sensitive positions, including but not limited to holders of CDL's and Bridge Operators, shall be subject to the testing requirements of federal law, in addition to the requirements herein which apply to all employees. For example, unlike other employees, employees in safety sensitive positions will be subject to legally required random testing and testing following certain kinds of accidents.

B. Establishing Reasonable Suspicion

1. Definition:

“Reasonable suspicion” is a set of objective and specific observations or facts which lead a manager to suspect that an employee is under the influence of drugs, controlled substances, or alcohol. Examples include, but are not limited to: slurred speech, alcohol on the breath, loss of balance or coordination, dilated or constricted pupils, apparent hallucinations, high absenteeism or a persistent pattern of unexplained absenteeism, erratic work performance, persistent poor judgment, difficulty concentrating, theft from office or from other persons, unexplained absences during office hours, or employee's admission of use of prohibited substances.

2. Manager training:

The County will provide training to all managers on establishing reasonable suspicion and the nature of alcohol and drug dependency. Managers who have not been trained will not have the authority to direct employees to be tested on the basis of reasonable suspicion of being under the influence.

3. Lead Workers:

When no manager is immediately present, lead workers who oversee day-to-day work activities are “managers” for the purposes of establishing reasonable suspicion and directing employees to be tested on that basis. This provision applies to lead workers who supervise or act as lead workers as part of their job description, as well as to those who receive premium pay under Addendum B, Lead Worker Assignment and Pay. Lead Workers who have not received the County’s drug and alcohol training for supervisors and managers will not have the authority to direct employees to be tested on the basis of reasonable suspicion of being under the influence.

4. Additional Precautions:

Application of the "Reasonable Suspicion" standard to any employee in this bargaining unit shall include the following additional precautions:

a. The manager shall articulate orally a summary of the specific facts which form the basis for believing that the employee is under the influence of drugs or alcohol; and

1 **b.** The manager shall provide upon request within forty-eight (48)
2 hours of the oral determination of "reasonable suspicion" a written specification of the grounds
3 for reasonable suspicion; and

4 **c.** Except in field or shift circumstances which render contact difficult,
5 no manager shall refer an employee for a drug or alcohol test based on "reasonable suspicion"
6 unless the manager has consulted with another manager or managerial person regarding the
7 grounds for the suspicion.

8 **C. Testing Methodology**

9 Testing procedures for all employees will be governed by the same standards as
10 apply to CDL drivers under federal law. These standards include, but are not limited to, those
11 governing sample acquisition, the chain of custody, laboratory selection, testing methods and
12 procedures, and verification of test results.

13 **1. Drug Testing**

14 **a.** Drug tests are conducted using urine specimens. In accordance
15 with CDL standards, the County will contract with a medical doctor trained in toxicology to act
16 as an MRO (Medical Review Officer). In the case of positive tests, the MRO will attempt to
17 contact employees to review preliminary positive test results with employees and any relevant
18 health care providers before the results are reported to the County. Based on the MRO's
19 professional judgment, they may change the preliminary test result to negative. The County will
20 not be able to distinguish a test result that is negative by MRO intervention from any other
21 negative result.

22 **b.** In addition to compliance with federal guidelines, the following
23 safeguards will also be applied:

24 **i.** Test results will be issued by the MRO or the testing
25 laboratory only to the County's Drug and Alcohol Policy Coordinator. The results will be sent
26 by certified mail or hand delivered to the employee within three (3) working days of receipt of
27 results by the County.

28 **ii.** Appeals. If an employee disagrees with the results of the
29 alcohol or drug test, the employee may request, in writing, within five (5) days of receipt of test
30 results, that the original sample be re-tested at the employee's expense by the testing
31 laboratory. The result of any such retest will be deemed final and binding and not subject to
32 any further test. Failure to make a timely written request for a retest shall be deemed

1 acceptance of the test results. If an employee requests a retest, any disciplinary action shall
2 be stayed pending the results of the re-testing.

3 **2. Alcohol Testing**

4 **a.** Alcohol tests are conducted using a breathalyzer screening test.
5 Employees who test 0.02 or higher will be required to submit to a confirmation test. Test results
6 will be issued only to the County's Drug and Alcohol Policy Coordinator. The results will be sent
7 by certified mail or hand-delivered to the employee within three (3) working days of receipt of
8 the results by the County.

9 **b.** Alcohol confirmation tests are considered final, they may not be
10 appealed.

11 **3.** Test reports are medical records, and will be handled according to
12 applicable state and federal law and County Administrative Procedures which insure the
13 confidentiality of such records.

14 **VI. Definitions**

15 **A. Alcohol:**

16 Ethyl alcohol and all beverages or liquids containing ethyl alcohol. Levels of
17 alcohol present in the body will be measured using a breathalyzer test.

20 cannabis, as classified in Schedules I V under the Federal Controlled Substances Act (21 USC

31 A laboratory analysis of a urine sample to determine the presence of certain
32 prohibited drugs or their metabolites in the body.

F. Drugs:

Controlled substances, designer drugs (drug substances not approved for medical or other use by the U.S. Drug Enforcement Administration or the U.S. Food and Drug Administration), and/or over the counter preparations available without a prescription from a medical doctor that are capable of impairing an employee's mental or physical ability to safely, efficiently, and accurately perform work duties.

VII. Sample Last Chance Agreement

LAST CHANCE AGREEMENT

The following agreement is entered into between Multnomah County and the Employee. Failure on the part of the employee to meet the expectations below will result in the termination of their employment with the County.

1. I agree to be evaluated by a qualified alcohol/substance abuse counselor, and if required, I shall immediately enroll and continue in a bona fide alcohol/drug inpatient or outpatient rehabilitation program approved by the County. I fully understand that should I fail to complete either the inpatient or outpatient program or fail to stay in good standing with the maintenance and/or aftercare program, my employment with the County will be terminated.

2. I agree to comply with and complete the conditions of my "Treatment Plan", which may include participation in a maintenance or aftercare program as recommended by my treatment counselor. If I must be absent from my aftercare or maintenance program, I must notify the County. The County has my permission to verify my attendance at required meetings. If I do not continue in the aftercare or maintenance program, I understand that my employment will be terminated.

3. I understand that the signing of this agreement shall allow the County the right to communicate with my physician and/or counselors regarding my status and progress of rehabilitation and aftercare. I further agree to sign any authorization or release of information necessary to allow for such communication.

4. I agree to submit to periodic, unannounced, unscheduled drug or alcohol testing (urinalysis and breath test) by the County for a period of twenty-four (24) months from the date I return to work. This time period will increase accordingly if I am absent from work, for any reason, for a cumulative period of one (1) month or more. 8. I realize that violation of the drug and alcohol rules and/or policies at any time in the future is cause for termination without a pre-termination hearing.

9. I realize that my employment will be terminated if I fail to meet the expectations outlined in this Agreement and the letter attached.

Disciplinary Action

I understand that the disciplinary action imposed in the attached letter may not be grieved under the grievance procedure in the Local 88 contract.

Personal Commitment

I pledge and agree to abide by the terms of this agreement. I understand that a violation of or noncompliance with any of these terms will result in my being terminated without the right to a pre-termination hearing. Further, I pledge to remain free of all illegal drugs and also not to engage in harmful/inappropriate use of legal drugs (including alcohol). I hereby consent to the County's contacting any treatment or health care provider who may have information on my alcohol or drug dependency condition and/or compliance with the terms of this agreement and authorize the provider to furnish such information to the County.

I understand the terms and conditions of this letter. I also understand that, except as expressly stated in this agreement, my terms and conditions of employment will be determined by the County's policies, rules, and the CBA, and that this agreement does not guarantee me employment for any set period of time. ADDENDUM I
OFFICE OF THE SHERIFF (MCSO)

I. Sign-Up

A. Vacation

1. The method of vacation selection shall be in accordance with the provisions of Article 8 and employees shall choose their vacation dates in order of County Seniority. Vacation selection shall either be made at the time of the annual shift bid or at a later date in a timely manner. Each unit manager shall provide a written policy for determining how many employees may be scheduled for vacation on any given day or shift and notify staff before the vacation sign-up begins.

2. At their discretion, managers may make necessary modifications during the year to accommodate the needs of their individual units when circumstances beyond their control occur, such as budget cuts, layoffs or unexpected vacancies. Management will grant additional leave requests after the vacation sign-up is completed on a first come, first serve basis within their established written guidelines.

3. Employees in the Facility Security Officers (FSOs) job profile shall bid for vacation yearly as follows:

- a. Based on County Seniority;
- b. Based on calendar year;
- c. Sign-ups will take place during the last quarter of the preceding calendar year;
- d. May bid for the amount of vacation leave they are entitled to accrue in the coming calendar year;
- e. May submit one request for every whole week of annual vacation accrual that they will be entitled to in the coming calendar year;
- f. Each request shall be at least one work day long, and only 1 block of time per request.
- g. After the bid is complete, vacation time will be granted on a first-come first served basis.

B. Shift and Vacancy

1 **1. Programs and Close Street Unit:**

2 **a.** Filling a vacancy that occurs as a result of a change in work
3 assignment within the work unit, a change in shift, or as a result of a vacancy (as defined by
4 Article 22.I.A-D) shall be based on job profile seniority. Work Assignment is defined as work
5 site location which is a MCSO facility (MCDC, MCIJ). Work Unit is defined as the Programs
6 Unit within the Facility Services Division in MCSO. Shift is defined by both the hours and the
7 days worked either on or off (i.e. "C" shift Tuesday- Saturday or "C" shift Sunday/Monday off).

8 **b.** There shall be an annual sign-up for work location, shift and days
9 off by job profile seniority as defined by Article 2.VI, for all MCSO Corrections Counselors
10 except those assigned to the Close Street Program and separately for all MCSO Corrections
11 Technicians except those assigned to the Close Street Program_for placement to occur at the
12 beginning of the calendar year. If a vacancy occurs (as defined by Article 22.I) or a need arises
13 to change shifts, days off or work location other than at the beginning of the calendar year, then
14 the provisions of Article 22.VI.A apply so that management will seek qualified volunteers based
15 on job profile seniority. If there are no volunteers, the least senior qualified employee changes
16 work location, shift or days off. Or if a ninety (90)-day or less vacancy occurs, Article 22.II.A
17 applies so that management can make a short term assignment (as defined in that Article) at
18 their discretion. All other provisions of Article 22 shall apply.

19 **2. MCSO Facility Security Unit**

20 **a.** The annual shift selection for members in the MCSO Facility
21 Security will be completed before November 30th. If the annual shift bid cannot be completed
22 by November 30th, the Unit Manager will notify the union in writing as early as possible, but
23 no later than November 20th."

25 trial service period prior to March 31st for the year that the selection is implemented will be
26 eligible to participate. members who complete their trial service period after March 31st will be
27 allowed to select from any remaining open shifts upon completing trial service.

28 **c.** Shift selection shall be processed by job profile seniority via an
29 online live bid, and eligible Facility Security Officers will be allowed to select their shift and days
30 off.

31 **d.** Upon completion of the annual bid, employees will be afforded an
32 opportunity to select their preference for work location; provided however, that final

determination in these matters is management's discretion. Assignments excluded from this process include:

- All Facility Security Officers assigned to "G" Shift
- All Facility Security Officers assigned to "Mid" Shifts
- All Facility Security Officers assigned to Library positions
- All Facility Security Officers assigned to the Multnomah County Central Courthouse
- The Facility Security Officer assigned to the Gateway Center

e. As this is a building selection preference, management reserves the right to reassign members from their selected work location to meet the business needs of the Unit.

f. Throughout the year, to limit movement, if a temporary vacancy requires overtime, the overtime will be posted at the vacated facility whenever practicable. If excess staff at one location dictates that a move would eliminate or limit overtime, the shift Lead assigned, can move someone to backfill based on seniority volunteers, established rotation plan, or if no members volunteer for the move, the lowest in seniority employee regularly assigned to the shift. Involuntary schedule changes must still comply with Article 13.

g. Rotations to new assignments shall be completed annually during the first full week in February to align with the annual vacation bid.

3. All 24/7 Units:

a. All twenty-four (24) hour, seven (7) day a week units in the Sheriff's Office will bid annually for shifts and days off in the following manner unless otherwise indicated:

i. Annual shift bids and days off shall be posted two (2) weeks before the sign-up begins at each work location along with an updated list of staff members by their job profile seniority.

ii. The annual shift bid will begin no later than December 1st of every year. If the annual shift bid cannot begin by December 1st, the manager of that unit will notify the union in writing by November 30th.

iii. Each employee will have no more than two (2) complete shifts to make their selection of shift and days off. However, the bid shall be given to the next

member as soon as possible after signing up to expedite the process. If a member is on their days off, the bid will stop and wait for their return.

iv. Employees who will be gone on a leave of absence, other leave or vacation of three (3) or more days will submit in writing to their manager three (3) choices for shift and days off, numbering them by one (1) being their first choice, two (2) being their second choice and three (3) being their third choice for available shifts and vacation days. Members shall be allowed to call or authorize their manager to call them at home to sign-up if they are gone for more than three (3) days during the shift bid process.

v. New shifts will be implemented no later than the following February 1st, annually.

vi. Employees in the Auxiliary Services Unit will additionally be afforded an opportunity to express a preference for work assignment and or location; provided however, that final determination in these matters is management's discretion.

V. Facility Security Unit Lead Worker Assignments

The Facility Security Unit Lead Worker selection process shall be conducted in the following manner:

A. The Facility Security Unit management shall post notification and selection of the upcoming vacant Lead Worker assignments prior to the Units Annual Shift selection process.

B. The assignment of a Lead Worker shall be considered a special assignment with a duration of three (3) years maximum.

4 Additionally, Management reserves the right to reassign the Lead Worker assignments at the
5 initial signup based on the business needs of the unit.

6 **E.** Written performance evaluations of all Lead Worker positions will be conducted
7 annually. Management retains the right to modify, suspend or terminate an individual's
8 appointment to a Lead Worker assignment with the required contractual notice.

9 **F.** Pursuant to Article 13 Management preserves the rights to alter a Lead Workers
10 shift assignment for Lead training and evaluation purposes.

ADDENDUM J
HEALTH DEPARTMENT

I. School-Based Employees

A. School-based bargaining unit members who verify to the program manager a combination of work and vacation by May 7 to be in a paid status equal to their budgeted FTE throughout the summer, shall not be laid off.

B. Bargaining unit members who do not have work available in their academic calendar year school-based work site or who choose not to work outside of their school-based site will be laid off during school closure for the summer.

C. Bargaining unit members who are laid off may be called back as regular employees as provided in Section H. Summer Work/Effect of Refusal. Employees working for the length of the academic school calendar year, upon recall, shall not realize a loss of countywide or job profile seniority due to the two (2) months annual layoff.

D. Limitation on Bumping and Recall from School-Based

1. Notwithstanding any other provision of this agreement, bumping by or recall of bargaining unit members who, for administrative purposes, are inside the County's school-based program shall be limited to positions inside the school-based program if the County declares in writing at the time layoff notice is given to the affected employee that the layoff is of limited duration due to summer school closure.

2. If business needs require the County to reduce a school-based position from year-round (twelve months) to academic school calendar, the County will first look for volunteers among the year-round employees in the affected job profile to determine whether there are any employees willing to have a reduced schedule. If there are no volunteers willing to change to an academic school calendar schedule, the year-round school-based employee with the lowest countywide seniority date in the affected job profile will be reduced.

E. Administrative Purposes Defined

For purposes of this section "administrative purposes" means that the employee ordinarily files their payroll time sheet with the school-based program.

F. Deviation from Seniority Order for Layoff or Recall/Effect on Seniority and Insurance Benefits

When implementing limited duration layoff or recall from such layoff the County may deviate from the normal order of seniority layoff or recall otherwise required by the parties' collective bargaining agreement. Such deviation shall not be for a period exceeding twenty-one (21) calendar days. A more senior employee who would have been retained or recalled but for the departure from normal seniority order of layoff or recall may use vacation or leave without pay for the period between the date the employee would have bumped or been recalled under normal procedures and the effective date of the general school-based health summer layoff or recall as determined by the School-Based Manager. In addition, such employees will accrue seniority and be eligible for medical and dental insurance coverage as though they were laid off or recalled in accordance with normal layoff or recall procedures.

G. Trial Service Employees

The initial trial service of an employee on probation when a limited duration layoff takes effect shall be frozen over the summer and shall resume, if the employee is recalled to work, at the commencement of the next school year. This shall not apply if the County notifies the employee that their initial trial service has been terminated.

H. Summer Work/Effect of Refusal

Bargaining unit members in School-Based Program who perform bargaining unit work for the County while on limited duration layoff during summer school closure shall be paid at the same wage step they held when the limited duration layoff took effect. They shall also be employed pursuant to the terms and conditions of the collective bargaining agreement and receive all benefits/entitlements specified in the collective bargaining agreement as they do during the regular school year with the exception of "Section IV" of Article 21 and Article 11 Health and Welfare Benefits (see "Section M" of this Addendum for health and welfare benefits coverage). Employees on limited duration layoff who are working are not eligible for lead pay unless working in a lead assignment in school-based program. An employee may refuse to accept work that is offered, with the understanding that such refusal may affect eligibility for unemployment compensation.

I. Payoff or Carryover of Accumulated Vacation and Last Paycheck

1. Notwithstanding any other provision of this agreement, an employee subject to limited duration layoff in school-based program may request payoff of some or all of their accumulated vacation. Such requests shall be made in writing to the School Based Manager, the Department's Human Resource Manager and Payroll Manager of the

1 Department of County Management within three (3) days after the employee receives notice
 2 of limited duration layoff. Payout of some or all of the employee's accrued vacation shall be
 3 made on the employee's regular bi-monthly paycheck received on June 30, and is subject to
 4 required/authorized tax withholdings and deductions. In the absence of such notice, vacation
 5 will be carried on the books over the summer unless the employee is subsequently terminated
 6 or resigns. In such case, normal provisions relating to vacation payoff shall apply.

7 **2.** Unpaid wages due when the school-break limited duration summer layoff
 8 begins shall be made in the ordinary course in the employee's bi-monthly paycheck, and is
 9 subject to required/authorized tax withholdings and deductions, as allowed under OAR 839-
 10 001-0420(6). (For example, school-based employees that begin the limited duration summer
 11 layoff on or before June 15, will have the hours that they worked between June 1 and June 15
 12 paid on the June 30 paycheck.)

13 **J. Considerations in Use of Vacation for Employees Working an Academic**
 14 **School Calendar Year**

15 Notwithstanding Subsection H or Article 8, "Section V" above, the parties
 16 acknowledge that although requests to take vacations during the school year may in some
 17 cases be granted, the risk that management will deny such a request is significantly greater
 18 than in other county operations, due to the need to provide services to students when schools
 19 are in session. For that reason, School-Based Program Employees are encouraged to continue
 20 to select vacation times during Christmas and spring school vacations to the extent approved
 21 by management. Further, employees facing limited duration layoff should take into account the
 22 limited availability of time off when schools are in session, the vacation accumulation ceilings
 23 set forth in this agreement, and the risk of forfeiture of vacation (when accumulation ceilings
 24 are reached) when deciding whether to carry their accumulated balance forward.

25 **K. Alternative Compensation**

26 The Board of County Commissioners may adopt and implement a uniform policy
 27 whereby employees who transfer or are newly hired into the school-based program are
 28 required as a condition of such transfer or hire to sign an agreement accepting the payment of
 29 County medical and dental insurance premiums in lieu of government unemployment insurance
 30 payments during the period of a limited duration layoff due to summer closure.

31 **L. Alternative Benefits**

If the State of Oregon adopts a law which uniformly disqualifies employees on a limited duration layoff from receiving unemployment insurance, even if they are available for and actively seeking suitable interim employment, the County and Union agree to meet to negotiate over the terms of possible alternative benefits or compensation to cover that period of unemployment. This shall be construed only as contractual authorization for such a policy. This shall not be construed as a purported waiver by the union of individual employee rights under the Oregon unemployment compensation statute.

M. Insurance Benefits during Limited Duration Summer Layoff

The County agrees to continue the medical/vision and dental benefits, without lapse in coverage, for school-based employees who are subject to school-break limited duration summer layoff. The employee's cost share for medical/vision and dental benefits that accrue while they are on limited duration summer layoff will be collected from the employee's pay upon their resumption of work following limited duration layoff. The County Payroll will deduct up to ten percent (10%) of gross wages per pay period, until paid in full.

N. Supplemental Life and Short Term Disability Insurance

The County agrees to apply for the "teacher's waiver" so that employees laid off as the result of limited duration layoff who are rehired within ninety (90) days will be reinstated with supplemental life and short term disability insurance that was in force at the time of layoff.

O. Grievances

Any dispute over the meaning, interpretation or application of this Addendum shall be resolved through the grievance procedure set forth in Article 18.

P. Holidays

Notwithstanding the provisions of Article 7, members of the bargaining unit regularly assigned to the School-Based Program/School-Based Mental Health Program who request and are granted time off for any scheduled school closure, including but not limited to the school winter vacation closure, spring vacation closure, teacher in-service days, or any other scheduled school closure, will be permitted, upon advance written request, to use leave without pay without first exhausting paid vacation, Saved Holiday time and/or compensatory time off. Employees who take such period as an authorized, unpaid leave of absence during the winter vacation closure shall receive their Christmas and New Year's Holiday pay even though they are not in pay status on the days before and after such holidays. Unscheduled closures, such as those due to weather events, building safety issues, or any other

1 unscheduled closures are not covered by this provision and are subject to the contract
2 provisions and county personnel rules for building or office closures due to inclement weather
3 and natural disasters.

4 **II. Lateral Transfers for Mental Health Consultants**

5 **A.** This subsection applies to all school-based positions that are classified as Mental
6 Health Consultants. The provisions of Article 22 shall apply except as follows:

7 **B.** Vacancies which occur during the school year may be filled by temporary or
8 regular new appointments without regard to the Work Assignment process in Article 22. Such
9 positions will be considered vacancies for purposes of the annual transfer process. New
10 employees assigned to those positions during the school year may be reassigned to other
11 positions for the following school year, pursuant to the provisions of this Addendum.

12 **C.3.** On an annual basis, a list of all vacancies, including those filled by new or
13 temporary appointments during the school year, as well as positions that will be substantially
14 changed the next school year, will be posted for ten (10) working days, with the first (1st) day
15 of posting occurring on or about May 20 of each year. The posting will include the name of the
16 person to contact, the deadline for consideration, and any other available, relevant information
17 about each vacant position, including school and school district sites served, specific school
18 needs as identified by school personnel, geographic locations of the assignment, etc. Eligibility
19 for consideration will be limited to employees in the job profile of Mental Health Consultant
20 within the School-Based Mental Health program.

21 **D.** A substantial change in a position is defined as one or more of the following:

- 22 **1.** Site change outside of the current school district:
23 **2.** An increase or decrease in hours (FTE) unless waived by the employee
24 currently in the impacted position;
25 **3.** Change in scheduled work days unless waived by the employee currently
26 in the position.

27 **E.** Employees on the transfer list will also be considered for vacancies which occur
28 between the end of the May signup period but prior to August 1, provided they have given their
29 summer contact information (email or regular mailing address) to management and respond to
30 a notice of vacancy from management within five (5) working days of the date the notice is
31 sent.

1 **F.** Employees who wish to transfer from their current assignment must submit their
2 name and indicate which vacancies they wish to be considered for prior to the deadline
3 specified in the posting.

4 **G.** Employees who wish to be considered for other vacancies which will result from
5 this transfer process must also submit their names prior to the specified deadline, but are not
6 required to specify which vacancies they are applying for.

7 **H.** Following the sign-up period, all vacancies, including those that result from the
8 initial transfer of employees into posted vacancies, will be filled from the transfer list in
9 accordance with Article 22.III.B and C. Employees not on the transfer list will not be considered
10 for transfer.

11 **I.** Any vacancies not filled through the internal transfer process provided for in this
12 Addendum will be posted within the designated work unit for lateral transfer. Any remaining
13 vacancies at the conclusion of the process will be filled in accordance with the personnel rules
14 for appointments, including but not limited to open competitive announcement.

15 **J.** Whenever management determines a need to change the assignments of a
16 position in the School-Based Mental Health Program, management will, whenever practical,
17 provide an opportunity for input from affected staff prior to a final decision.

18 **III. Office of the Medical Examiner**

JAIL SIDE ASSIGNMENT PREMIUM

I. Premium Pay

A differential of ten percent (10%) over base rate will be paid to employees who are in a countywide job profile (not a corrections-specific job profile) and have been assigned to work in a correctional facility on the jail side. An employee who is regularly assigned or accepts a shift in an assignment described below shall receive the pay differential. If either the Union or the County believes that an employee, in an assignment not listed below, meets the threshold of working routinely working jail side or alternatively no longer routinely works jail side, it may notify the other party in writing that it seeks a change. Any change from the list below has to be recorded by written mutual agreement between the Union and the County. An employee that is occasionally assigned to work jail side shall receive the premium on an hour by hour basis for time spent jail side.
